Stops The Cough Works off the Cold

Laxative Bromo-Quinine Tablets cure a cold in one day. No Cure, no Pay. Price 25 cents.

Nearly fifty years ago, in the city of Troy, N Y was the dramatic version of Harriett Beecher Stowe's immortal work, Uncle Tom's Cabin, produced, presented as it was by an excellent company of players and bearing directly upon what in after years was an important epoch in the making of our history, its success was marvelous. The theater was crowded night after night and among the audience could be seen ministers of all creeds, statesmen, mothers, fathers, children, in fact, people from all walks of life. Ministers mentioned it from the pulpit, crowds of men discussed it pro and con, upon the busy thoroughfares it spread like will fire. During that particular season it was produced in every city in the land. Never before had an American play met with such popularity.

Each season companies, good, bad fair, or indifferent, visit your locality, presenting this great moral play. Many unscrupulous managers head these various aggregation and the production is Uncle Tom's Cabin in name only,—it would be simply impossible to recognize the play were the name omitted from the advertising matter.

With Terry's Big Company it is different. Here is found real artists, people who are recognized as absolute leaders in their chosen profession.

BOERS' VICTORY AT KLERKS-DROP.

LONDON, March 3.—A dispatch from Pretoria dated today contains details of the disaster to the escort of the convoy of empty wagons at Vondonop, southwest of Klerksdorp, Transvaal Colony. The British casualties in killed, wounded and men made prisoners reach the total of 632. In addition the Boers captured two guns.

Lieutenant Colonel Anderson, who commanded the British force and who has returned to Kraaijan, Cape Colony, with nine officers and 245 men, reports that when his advance guard was within 10 miles of Klerksdorp, during the morning of February 25, the Boers opened a heavy rifle fire on the troops from the shrub. These burghers were driven off and the convoy resumed its march, when a more determined attack was made on the convoy's left flank, the Boers getting within a hundred yards and stampeding the mules harnessed to a number of wagons. The attacking forces were again driven off.

At about 6:30 in the morning the rear guard was attacked by a strong force of Boers and simultaneously another body of Boers boldly charged the center of the convoy and stampeded the mules in all directions, throwing the escort into confusion, during which the Boers charged and recharged, riding down the British units. The fighting lasted for two hours. During which the two British guns and a pom-pom almost exhausted their ammunition. A detachment of 200 mounted infantry from Klerksdorp attempted to reinforce the British, but were held in check by the Boers.

A Severe Cold For Three Months

The following letter from A J Nusbaum, of Batesville, Ind, tells its own story. "I suffered for three month with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar and eight doses cured me." Refuse substitutes. Sold by The New Era Drug Store.

Reports of serious damage to Winter wheat are being brought in by farmers from all parts of the Palouse county, and the estimates of the loss vary from 50 to 75 percent. The loss is due to the fact that the ground froze hard while there was no snow, and the roots of the grain were killed. The damage seems to be general throughout the entire Palouse county one locality apparently suffering as much as another. Many farmers will reseed their entire acreage of winter wheat, as the little remaining uninjured is so scattered that it will not pay to leave it and trust to it for a crop.

The loss will cause much inconvenience for a few farmers have enough wheat left to reseed their lands and of the total crop of 1901 warehousemen estimate less than 5 percent is still held by the farmers so that many will be compelled to buy seed for their land which was sown last Fall. There is less wheat in the country than ever before at this season of the year, and if farmers are compelled to buy wheat for seed as now seems likely in many cases, it will require about all the wheat in the country for that purpose. Millers are expecting to close their mills early because there will be no wheat to keep them running. The acreage of fall wheat was the largest ever known there and the loss means much to the farmers.

The revival services conducted at the M E Church by Evangelist Marshal of California, continue to draw large crowds and a constantly increasing interest is manifested. The large edifice is filled to overflowing at each service and upwards of 69 conversions have already been made. The meetings will continue all week and will probably close next Sunday evening, and will no doubt prove the greatest revival held in this city for years.—Plaindealer.

Raw or Inflamed Lungs

Yield rapidly to the wonderful curative and healing qualities of Foley's Honey and Tar. It prevents pneumonia and consumption from a hard cold settled on the lungs.

Winters Wallace, the genial young editor of the Cottage Grove Leader, spent Sunday in Roseburg, visiting with friends and attending the meetings. He was accompanied by his niece Miss Ethel Woolley who is one of Leader's competent compositors. The Plaindealer was favored with a pleasant call.—Plaindealer.

For The Complexion.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. DeWitt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C E Hooper, Albany Ga says: "I took DeWitt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never gripe or distress. Safe thorough and gentle. The very best pills. Benson Drug Co.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucuous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves a once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve RAY FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE."

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept E883 EDWIN B GILES & COMPANY, 2530 and 2532 Market Street, Philadelphia.
