BASEBALL.—Already the ball tossers at the Grove are beginning to get busy. Never before in the history of the town has the prospect of an invincible base ball team been so flattering. A number of the players are here including J. McFarland, Bennett and an and we now have, with us, J. Monroe who formerly played with Corvallis, Albany and other valley teams and is a full round ball player. We understand that Mr Jones, an old player who is now at Com will be secured to do the "pitching" this season. Mr Jones is the best pitcher in the state with him in the box Cottage Grove will have a team that will win on any field in the valley. Boys should call a meeting at once and effect an organization so they will be able to commence play as soon as the season is over.

DEACON REUNION.—A grand reunion of the "Deacon" dramatic company was held at the home of Frank Wheeler or "Mrs. Thorn" as she is known in the Deacon company, last Saturday night. A enjoyable evening was spent in recitations of different kinds including games of croquet and chess. The champions of the night in the games were Miss Johnson and her partner Brehaut, "The Deacon." In an "anthracite" competition prize was awarded Miss Currin and Mr Brehaut and the prize to Thomas Medley and partner Miss Johnson. It was a nip and tuck between B K Lawson, Tom Young and A G Young in the contest, but they all demonstrated their ability to receive a prize at a pie eating contest. The champion of the contest in this line, was unable to finish owing to the fact that he had a rose in his mouth. The fun kept up till the small hours of the morning when they went home feeling that they had spent one most pleasant evening ever spent in Cottage Grove.

ANTI SALOON LEAGUE.—Rev F J Tout the Anti Saloon League man from Eugene, delivered a very interesting lecture at the M E church in this city Monday night. And their membership now number about 40 and are they greatly encouraged over their prospects.

THE LOST IS FOUND.—Word came to town Sunday that Mr Cy Bingham was lost in the mountains east of the Warehouse. Mr Bingham in company with Mr Wood chief engineer of the Bohemia railroad survey had gone out hunting on Friday and about 1 o'clock the men disappeared as to their location and Mr Wood returned to the Warehouse. Mr Bingham, it is said, admitted that he was lost but thought that he could find Lang Creek and follow it out.

When Mr Wood returned to the Warehouse a searching party started out from the mines and Monday morning they found his tracks in the snow. They followed the tracks all day and camped, then resumed search Tuesday morning. About 1 o'clock they came upon him. He was still carrying his gun, but was almost given out, as he had been out in the forest for 96 hours without food except what he killed. At the time the searching party found Mr Bingham he was about 5 miles from the mouth of Lang Creek and was following the canyon and would probably have come out all right. Mr I H Bingham came up from Portland Monday afternoon and went to the mines to assist in the search. Mr Bingham is a very robust man or he never would have endured the hardships he had to suffer.
