SALOON SOLD.—This week Lee Minard purchased the interest of Mr Corrin in Bohemia Saloon. Mr Minard took charge as a full fledged partner with Al Weite this week.

CITY ELECTION.—The first Monday in April will be city election day. Thus far there appears to be but very little interest taken in the matter. There will be a mayor, recorder, treasurer and four councilmen to elect. We understand that none of the outgoing officers will be a candidate for re election.

NEW CHOP HOUSE.—On Saturday Mr P Burghdoff will open up the Union Chop House near the depot. The building formerly occupied by the Alhambra Chop House has been refitted up in nice shape for the new restaurant. Mr Burghdoff is an experienced restaurant man and will no doubt secure a liberal patronage.

SURPRISE.—Last Thursday evening a number of the young people of the town called at the home of the Misses Newland's and tendered them a very pleasant surprise. Various parlor games were indulged in until a late hour when a splendid lunch was served. All report having spent a very pleasant evening.

ACCIDENT AT SCHOOL.—Frankie Howard met with quite a serious accident while at play in the basement at school one day the past week. She with another little girl were swinging in an old fashioned rope swing and fell out while the swing was in motion. Her leg was badly bruised between the knee and ankle and it is probable that the bone was slightly fractured.

BAND CONCERT.—On or about March 23 the C M A band will give a grand musical. The boys are working hard to make this concert one of the best musical treats ever heard in Cottage Grove. The services of the very best musical talent in the town will be secured to assist in the program also one or two numbers will be supplied by Eugene talent. Remember the date and let every body turn out and fill the Opera House.

'POOR UNCLE TOM.'—Terry's Uncle Tom's Cabin Company played in this place Saturday evening. The old play is still recognized in the new features introduced and what the audience sees is a mixture of minstrelsy and vanderbilt with an occasional glimpse of the characters connected with the play. The only deserving character on the stage was the little girl who played little Eva. The company has a fair band and orchestra.

BIRTHDAY PARTY.—Mr and Mrs U S Martin tendered their daughter Miss Nellie a party, Tuesday evening in honor of her fifteenth birthday. A large number of her young friends were invited to spend the evening with her and join in the celebration. The evening passed swiftly away in various amusements and all enjoyed a superb lunch.

After bidding the young lady good night and wishing her many happy returns of her natal day the guests departed for their various homes.

TRIBE OF REDMEN.—Last Wednesday evening Grand Representative Howard of the Redmen of Oregon instituted a tribe in this city at the O O F Hall with 52 charter members. The order of Redmen is very old order having been organized in this country 411 years ago. Mr Fred Gale has been instrumental in securing a large number of the names for membership in the local tribe and his efforts are rewarded by the largest list of names that has ever been rolled upon any charter of a secret organization in Cottage Grove.

PROPERTY PURCHASED.—Mr Chrs Bruneau has purchased the residence property on Third street owned by Mrs Lucricia McMurray. The price paid for the property was \$750.

NEW "ADS."—We desire to call your special attention to the new ads of Eakin & Bristow, R W Newlands and the Pacific Timber Co in this issue. They will be of interest to you. Don't fail to read them.

LECTURE ON EUROPE.—Tonight Robert C French will deliver a lecture at the Opera House, on Europe, which will be illustrated by Stereopticon Views. This lecture is highly spoken of and is deserving of your presence. The lecture is for the benefit of our public school. Seats are on Sale at the New Era Drug Store.

LECTURE.—Rev G G Hudson delivered a very interesting lecture Monday evening at the C P Church on the "Origin and Doctrine of the Cumberland Presbyterian Church." Rev Hudson has lately returned from Japan where he has been for some time in the missionary work. He is a very interesting talker and held the close attention of his hearers. A large assembly was present.

EASTER SERVICES.—The C P Church is making preparations for a grand Easter service. One of the best musical programs ever rendered in Cottage Grove is being prepared by the choir. Special music has been secured from the east for this service. Mr Wooley, the choir director, says that never before in the history of the church has he had a better choir than at the present time. All persons who are lovers of good singing will miss a treat if they fail to attend these services.

FIREMEN EXEMPT.—At the next meeting of the Eagle Hose Co, which will be held the first Tuesday in April quite a number of the members of that company will become exempt, having been in the service, continually for 7 years. Among those who will retire from the service at that time and receive their exempt certificates are the following:

J S Medley, C H Burkholder, D H Hemenway, L F Wooley, W F McFarland, N H Martin, H Eakin, U G Walker, Frank Grouette, Geo Rains and John Durham.

The boys have been faithful members in service and will be greatly missed from the Eagle Co. This large number going out of service will make room for a number of new members in this company and any person desiring to join should place an application in the hands of Secretary A Griffin before the next meeting of the company.

Mrs C A Harper of Butte Montana was in Cottage Grove a few days this week on a visit to her sister Mrs Downs. Mrs Harper is an old time school mate of the writer and we acknowledge a pleasant call.
