NOTICE TO TAX PAYERS.

NEW TAX LAW.

At the last session of the legislature a new law was passed in regard to the collection of taxes, which law took effect on December 1st, 1901, and in substance is as follows:

1 If you pay your taxes on or before March 15th you will be allowed a rebate of three per cent.

2 If you pay your taxes between March 15th and up to and including the first Monday in April, there will not be any rebate and neither will there be any penalty or interest added.

3 If your taxes are not paid on or before the first Monday of April, they will become delinquent, when there will be added a penalty of 10 percent, and the tax will also draw interest at the rate of 12 per cent per annum in addition to the penalty.

4 If you pay one half of your taxes on or before the first Monday in April, then the remaining half may run up to and including the first Monday in October following; but if the last half of tax due is not paid by the first Monday of October, it becomes delinquent and there will be added to such balance, a penalty of 10 per cent, and in addition, such balance will bear interest at the rate of 12 per cent per annum from the first Monday in April until paid.

5 On all personal property taxes if one-half is not paid on or before the first Monday in April, the law compels the sheriff to levy upon and collect the same after May 1st hence to prevent a levy upon personal property after May 1st it will be necessary for one half to be paid as above stated.

6 The law compels the sheriff to sell all lands on which taxes have not been paid, and that such sales shall not be held later than March 1st of the year succeeding the year in which the tax levy is made.

7 The property will be sold, to the person bidding the lowest rate of interest, and certificates will be issued therefor, and deeds given to such property sold, unless redeemed within three years from the date of such sales.

The 1901 assessment rolls will be received at the Sheriff's Office March 1st, 1902. Any written enquiries regarding 1901 taxes received prior to that date will be filed and promptly attended to as soon as the books are open for payments. In making enquiries as to amount of taxes, if possible, give to whom the property is assessed and description of the same.

TOURIST EXCURSIONS TO THE EAST.

The travelling public will be interested to learn of the system of personally conducted excursion cars operated over the Rio Grande System popularly known as "The Scenic Line of the World." They are the regular Pullman tourist or "ordinary" sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separated lavatories, are all well lighted and heated and, in fact, are a most successful substitute for the more expensive "standard" sleepers, the difference arising from the character of upholstery furnished. A colored porter is in attendance with every car and besides him an excursion conductor, whose sole duty is to look after the pleasure and comfort of passengers in his charge.

These cars are run through to Kansas City, Omaha, St. Louis and Chicago, making close connections for Boston, New York and all eastern points.

This feature of travel has become so popular that there is now established a regular service of nine cars each week, offering a variety of routes, and schedules so arranged that stop-overs may be made, if desired, at Salt Lake City, Denver, or any point between.

No extra charges is made beyond regular tourist rates.

To those interested will be glad to quote the lowest fares and furnish full information about the scenic beauties of the Rio Grande Route and its superior accommodations.

In going over the famous "Shasta Route" of the Southern Pacific Co.

traveler ever finds something new to excite his admiration and interest. Starting at Portland, one travels the whole length of the Willamette Valley, the gem of the Northwest. Mt Hood, Mt Jefferson, and the Three Sisters and other snow-capped peaks are kept in sight for hours. The beautiful valleys of the Umpqua and Rogue Rivers, with their orchards of peaches, pines, apples and other fruits are a delight in themselves. The crossing of the great mountain barrier between Oregon and California reveals the greatest mountain scenery in the United States. The wonderful turnings, twistings, and doublings of the railroad bring into view a grand array of towering mountains and profound gorges into which we gaze from dizzy heights forests clad mountain slopes stretching up to the line of perpetual snow, and the foaming mountain streams dashing fiercely down deep canyons, now and then stopping for a short rest in some quiet pool. After a days enjoyment of old Mt Shasta, the finest peak on the continent we drop rapidly down the canyon of the Sacramento to the broad plains of the Sacramento Valley in California, and thence through vineyards and orchards to San Francisco.

ALL CASES OF DEAFNESS OR HARD HEARING ARE NOW CURABLE

By our new invention. Only those born deaf are incurable. HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

"I was entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting worse, until I was unable to hear anything. I consulted several of the best specialists of this city, who told me that only an operation could help me, and even that, only temporarily, that the head noises would only be cured, but the hearing in the affected ear would be lost forever. I then saw your advertisement, noticed that it was a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and today, after five weeks, my hearing in the affected ear has been entirely restored. I thank you heartily and beg to remain Very truly yours, F. A. WERMAN, 725 B. Broadway, Baltimore, Md."

AN AUTHOR SPEAKS

The late Charles Dudley Warner—author, editor and traveler—while bathing in Great Salt Lake remarked to a friend, that in all his travels he never before saw such a glorious combination of salt sea bathing, blue sunlit skies, pure mountain air and pretty women and happy children. The only transcontinental lines passing directly through Salt Lake City is the Rio Grande System.

It is also the "Scenic Line of the World." No European trip of equal length can compare with it in grandeur of scenery or wealth of novel interest. All Agents sell through tickets to the East by way of the Rio Grande Lines. Send for pamphlets to J D Mansfield, General Agent 124 Third Street, Portland, or Geo W Heintz Asst.
