The Democratic convention of almost every country in the state has instructed for George Chamberlain for governor. The people will do furnish no good to go to Portland to conduct his campaign "along other lines." He may as well keep his money in his pocket, so far as the election is concerned. Still it is well that money should be put in circulation, and from this point of view, no one can object to Mr Furnish making a distribution.—Guard.

The Republican State Convention has met, labored and put forth a ticket which, barring its head compare favorably with efforts made on like occasions heretofore. The pleasing prospect is that for the first time in the history of the state two Democratic candidates will struggle for the mastery to gain the governorship. It comes, of course, in the light of a revelation to behold a minority party gaining sufficient popularity to compel the strong majority party to the point of nominating one of its partisans—this being a tribute not easily overlooked and hard to estimate. The claim that W J Furnish, the Republican nominee for Governor, is now in every way a consistent Republican partisan cannot hold good in view of the fact that whatever of political reputation he has was made while he was a Democrat. His conversion to Republican principles being of a date so recent disallows an estops his right to a general support of the rank and file of the Republican party; and so the hope for an election on his part is certainly thickly beclouded.

A Doctor's Bad Plight

"Two years ago as a result of a severe cold, I lost my voice," writes Dr M L Scarborough, of Hebron, Ohio, "then began an obstinate cough. Every remedy known to me as a practicing physician for 35 years failed, and I daily grew worse. Being urged to try Dr King's New Discovery for Consumption, Coughs and Colds, I found quick relief, and for the last ten days have felt better than for two years." Positively guaranteed for Throat and Lung troubles by Currin Drug Co. 50c and \$1.00. Trial bottles free.
