Attorney J S Medley, of Cottage Grove, a mighty good fellow—though a democrat, was looking after the interests of some of his clients in this city Tuesday and favored the Plaindealer with a pleasant call. He reports that the grade stakes were being set on the Bohemia Railroad right-of-way and that grading would probably be commenced at no distant date. Uncle Jack Kyle, of Cottage Grove, an old pioneer of Lane and Douglas counties spent Wednesday in Roseburg. He appeared before the board of pension examiners and took the examination preparatory to applying for a pension. We were favored with a pleasant visit from our old friend, who informed us that he resided on Deer Creek a few miles east of Roseburg from 1852 to '64. He will therefore be remembered by many of our old settlers.—Plaindealer.

STAR BREVITIES.

By Roxana.

Mr Ben Pitcher is convalescent after a long protracted spell of rheumatism.

Carl Pitcher has gone to Silver Lake to work for his brother Chas Pitcher.

Our teacher, Mrs Damewood spent Easter with her family at the Divide.

The farmers in this section of the country are very busy with their spring sowing of grain, and of planting garden.

Mr Jas Spar is rustivating in our neighborhood. He says he is recuperating his health and helping "Uncle Ben" and "Aunt Dick" keep house and tend to the cats.

Miss Lora Baker spent Sunday with her friend Miss Hattie Pitcher of Star. We understand that Lora planted fifty cents worth of beans in the mud in front of Mr Kirk's store at Dorena. She expects to thresh a plentiful supply of beans next September.

Our school closed its first month's work with a nice programme, consisting of select reading, declamations, songs and instrumental music. The children all acquitted themselves creditably, especially Master William, who recited a comical piece, entitled the "Wail of An Infant."

Our good neighbors of Star met Sunday and re-organized their Sunday School with the following officers: supt. Mrs Wicks, asst. supt. Mrs Pitcher, sec. and treasurer, Miss Hattie Pitcher; committee on literature, Miss Hattie Pitcher and Mrs Wicks; teacher of bible class, Mrs Damewood; teacher of infant class, Miss Ivy Wicks. The hour chosen for Sunday School was 10:30 a m. The meeting then adjourned until the next Lord's day.

Miss Lulu Harlow celebrated her 14th birthday by entertaining a number of her friends at her home Friday evening, March 28th. Those present were as follows: Misses Hattie Pitcher, Ivy Wicks, Carrie Anderson, Mary Vaughn, Ida Anderson, Clara Anderson, Nora Vaughn, Pearl Stewart, Mabel Harlow, Lulu Harlow, and Eunice Harlow, Messrs Jas Spar, John Cole, Clide Kerr, Miles Pitcher, Leslie Wicks, Mack Stewart, Mesdames Harlow, Pitcher and Damewood. Games and music were the order of the evening. At a late hour the guests departed wishing Miss Lulu many a happy birthday to come.

No Noxious Diseases, No Weakness of the Nerves. A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

TOURIST EXCURSIONS TO THE EAST.

The travelling public will be interested to learn of the system of personally conducted excursion cars operated over the Rio Grande System popularly known as "The Scenic Line of The World. They are the regular Pullman tourist or "ordinary" sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separated lavatories, are all well lighted and heated and, in fact, are a most successful substitute for the more expensive "standard" sleepers, the difference arising from the character of upholstery furnished. A colored porter is in attendance with every car and besides him an excursion conductor, whose sole duty is to look after the pleasure and comfort of passengers in his charge.

These cars are run through to Kansas City, Omaha, St. Louis and Chicago, making close connections for Boston, New York and all eastern points.

This feature of travel has become so popular that there is now established a regular service of nine cars each week, offering a variety of routes, and schedules so arranged that stop-overs may be made, if desired, at Salt Lake City, Denver, or any point between.

No extra charges is made beyond regular tourist rates.

To those interested will be glad to quote the lowest fares and furnish full information about the scenic beauties of the Rio Grande Route and its superior accommodations.

These germs cause weakness, chills and fever, aches in the bones and muscles, and may induce dangerous maladies. But Electric Bitters never fail to destroy them and cure malarial troubles. They will surely prevent typhoid. "We tried many remedies for Malaria and Stomach and Liver troubles," writes John Charleston, of Byesville, O, "but never found anything as good as Electric Bitters." AN AUTHOR SPEAKS

The late Charles Dudley Warner—author, editor and traveler—while bathing in Great Salt Lake remarked to a friend, that in all his travels he never before saw such a glorious combination of salt sea bathing, blue sunlit skies, pure mountain air and pretty women and happy children. The only transcontinental lines passing directly through Salt Lake City is the Rio Grande System.

It is also the "Scenic Line of the World." No European trip of equal length can compare with it in grandeur of scenery or wealth of novel interest. All Agents sell through tickets to the East by way of the Rio Grande Lines. Send for pamphlets to J D Mansfield, General Agent 124 Third Street, Portland, or Geo W Heintz Asst. General Passenger agent, Salt Lake City.

We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. For Sale by the New Era Drug Co.
