**TOURIST EXCURSIONS TO THE EAST.**

The travelling public will be interested to learn of the system of personally conducted excursion cars operated over the Rio Grande System popularly known as "The Scenic Line of The World." They are the regular Pullman tourist or "ordinary" sleepers, provided with comfortable berths, bedding and linen of the Pullman standard. They have separated lavatories, are all well lighted and heated and, in fact, are a most successful substitute for the more expensive "standard" sleepers, the difference arising from the character of upholstering furnished. A colored porter is in attendance with every car and besides him an excursion conductor, whose sole duty is to look after the pleasure and comfort of passengers in his charge.  
These cars are run through to Kansas City, Omaha, St. Louis and Chicago, making close connections for Boston, New York and all eastern points.  
This feature of travel has become so popular that there is now established a regular service of nine cars each week, offering a variety of routes, and schedules so arranged that stop-overs may be made, if desired, at Salt Lake City, Denver, or any point between.  
No extra charges is made beyond regular tourist rates.  
To those interested will be glad to quote the lowest fares and furnish full information about the scenic beauties of the Rio Grande Route and its superior accommodations.

**HEAD NOISES CEASE IMMEDIATELY**  
F. A. WERMAN, OF BALTIMORE, MARYLAND.  
Crestfallen:—Being entirely cured of deafness, thanks to your treatment, I feel a full history of my case, to be used at your discretion. About five years ago my right ear began to ring, and this kept on getting no hearing in this ear entirely.  
I underwent a treatment for catarrh, for three months, without any success of physicians, among others, the most eminent ear specialist of this city, only an operation could help me, and even that only temporarily, and the ear again began to ring, and the hearing in the affected ear would be lost forever.  
I then saw your advertisement, accidentally in a New York paper, and sent you a card. After I had used it only a few days according to your directions, the ringing after a few weeks, my hearing in the diseased ear has been entirely restored, and I beg to remain, Very truly yours,  
F. A. WERMAN, 730 S. Broadway, N. Y. City.  
Our treatment does not interfere with your usual occupation and advice free.
