The remains of Capt Anderson of the Schooner "Lizzie Prie," who was drowned about a month ago at Florence, have just been found.

L F Wooley has completed the grading and building of a new six-foot sidewalk this week. The works adds to the appearance of his residence property.

Tuesday the brick masons commenced laying the foundation for Dr Wall's new office and hospital building on the corner of Main and Second street.

Don't forget to come out and here the speaking next Wednesday. The County candidates for the Legislature will all be here and an interesting debate is guaranteed. Ladies are especially invited.

Like a Drowning Man. "Five years ago a disease the doctors called dyspepsia took such a hold of me that I could scarcely go," writes Geo S Marsh, well-known attorney of Nocona, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble. Sold by Benson Drug Co.

The past week has been showery but mild and vegetation of all kinds has made rapid advancement. No injurious frosts have occurred, and there has been an increase in the amount of sunshine, which are conditions favorable for fruit, much of which is now in full bloom.

In general, both fall and spring grain are doing splendidly. Some complaints are made of weedy fields in Umatilla county, and worms are beginning to do slight damage in Gilliam and Sherman counties. In the Willamette valley the warm weather has been beneficial to grain, but that seeded on low land is still somewhat sickly and yellow on account of insufficient sunshine and drying weather. Seeding in this valley will be practically completed this week. In southern Oregon rye has begun to head, and early planted corn has come up nicely. Summer fallowing is about finished in the Columbia river valley.

Hops have made vigorous growth during the week and the training of the vines is in active progress. Late gardens are being planted, and the farmers in the valley are busy preparing their land for corn and potatoes.

Grass of all kinds has made a splendid growth and pastures everywhere are excellent. Cattle are getting fat, and the flow of milk in the dairy districts is heavy. Stock is being moved to the summer ranges, and sheep shearing is in active progress. The increase in lambs has been larger than usual, and the wool clip is up to the average in both quantity and quality.

The fruit prospect continue good, except in a few localities. The peach crop in Wasco county is reported to be a failure, and in portions of Benton, Polk, Lane and Linn counties, prunes, owing to imperfect pollenization, are dropping badly and fears are entertained that the yields will be very light. Cherries also have suffered some from cold rains and frosts, but they have not been damaged as much as the prunes. The outlook for strawberries and apples is excellent.

Finds Way to Live Long. The startling announcement of a discovery that will surely lengthen life is made by editor O H Downey, of Chubbuck, Ind. Having this wonderful medicine no one need dread Pneumonia or Consumption. Its relief is instant and cure certain." J P Curran guarantee every 50c and \$1.00 bottle, and give trial bottles free.

F. A. WELMAN, OF BALTIMORE, Md.
Graduated—Being entirely cured of deafness, thanks to your treatment, I write you a full history of my cure, to be read at your discretion.
About five years ago my right ear began to ring, and this kept on getting worse until my hearing in this ear entirely failed. I was treated at a specialist for months, but did not receive any benefit. I was then treated by a physician, named Eber, who told me that my hearing would be restored if only an operation could help me, and that I must be prepared to pay \$1000 for the operation. I then saw your advertisement, and immediately wrote you for your treatment, and ordered your treatment. After I had used only a few days of your treatment, my hearing in my right ear was restored, and after five weeks, my hearing in my left ear has been entirely restored. I am now hearing and hearing as well as I ever did. Very truly yours,
