PATHETIC SUICIDE

Head Master Of Bishop Scott Academy Killed Himself on Dismissal.

POLTLAND, May 19—Professor Schaffer, who has occupied the position of headmaster at the Bishop Scott Academy for some time, committed suicide at his private rooms in the Academy this forenoon.

Schaffer had been notified of his dismissal from the position he held and this prompted the deed. A letter to his wife had been written and left on the table, then he put the muzzle of a pistol to his mouth and pulled the trigger. The bullet passed through the brain. Death was instantaneous.

In memory of little Halbert Whitlock who died March 30th 1902.

One more little lamb is folded
Safe on the Shepherd's breast;
One more of earth's ties is severed;
Little Halbert has gone to rest.

One more of our loved ones waiting,
In that Heavenly home so bright;
Waiting till life's scenes are ended,
And we enter that "City of Light."

Tho' our hearts are torn with anguish
As we bow beneath the rod,
Teach us now to whisper calmly
Not our will but Thine, oh God.

"Something New Under The Sun"

All Doctors have tried to cure CATARRH by the use of powder, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a treatment which when faithfully used not only relieves a once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES THE GUARANTEED CATARRH CURE" and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and positive cure for that annoying and disgusting disease. It cures all inflammation quickly and permanently and is also wonderfully quick to relieve HAY FEVER or COLD IN THE HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the GUARANTEED CATARRH CURE.

Sent prepaid to any address in the United States or Canada on receipt of One Dollar. Address Dept E883 EDWIN B GILES & COMPANY, 2330 and 2332 Market Street, Philadelphia.

THE COUNTY CANVASS.

Candidates Have a Good House --The Cheering Shows That Travis Leads.

Wednesday the political pot was at boiling point in the Grove. The County candidates after wading through the mud from Lorane, pulled in to town along about 10 o'clock and were greeted by a good sized audience at Martin's Hall at 1:30 p m. Senator Kuykendall was the first speaker and spent the greater part of his time in defending his record and such a sorrow job he made of it that it is a notable fact that not a single applause of any description was given him either upon his introduction, upon any remarks he made or at the end of his speech.

The Senator is in a sorry plight. Indeed were it not for Lawyer Harris, one of the most popular young men in the county, who is relying upon his own popularity to carry him through, Mr Kuykendall would not be in it. But Mr Harris generously comes to the relief and defends him as best he can but in so doing overshoots the mark for by it he demonstrates the Senator's entire infitness for the position he occupies. It is a tacit admission that the senator is not able to defend his own record and the people so take it.

Mr Shelly makes a very good talk but occupies the unusual position of asking voters to support him in making a law to protect the farmers against dishonest mill and warehouse-men. Mr Shelly himself is a mill man and his arguments and promises fall with but little effect upon voters. The people don't like to risk a man who wants to make a law protecting the public against his own class of people. Mr Edmunson of Goshen is a plain straight forward speaker, and has not only the ability of pleasing his audience but shows also considerable legislative ability. He is becoming a thorn in Mr Harris' campaign and shows that Harris has no copyright on his "scuttle" argument. The poorest stick of the whole bunch is Mr Edwards of Junction, Mr Edwards knows nothing but "prosperity" and the ancient records of the G O P. He has nothing to propose but gives one the impression that whatever the bosses of the party say and do will be his guide and that he will blindly follow their leadership on all questions.

Mr Castle on the other hand shows an independence of purpose and spirit that Americans cannot help but admire. No one can hear him talk without being convinced he will oppose every graft against the public treasury and that his heart is with the masses. He does not shrink from telling where he stands on every local question before the people. Like Edmunson he stands flat footed against the present nefarious tax law. He is pronounced in his favor of the three cent per mile law. He don't care who knows that he stands solid on the flat salary proposition and is against the school book monopoly. The speakers were all mild in their arraignment of the opposition party with the exception of Mr Harris and Mr Edwards. Mr Harris said some things that never made him any friends and indeed were a surprise to many of his personal friends. But we believe he is getting worked up a little bit over the outlook and did not use his customary caution.

Wants Others to Know.

"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to indorse them for I think when we find a good thing we ought to let others know it." writes Alfred Heinze, Quincy, Ill. They never gripe or distress. Sure, safe pills.
