**Big Fire at Grants Pass.**  
GRANTS PASS, Ore., May 26.—At 5 o'clock this evening fire broke out in the yards of the Sugar Pine Lumber Company in this city. It destroyed the entire stock of sugar and white pine, consisting of three and a half million feet and one million feet of manufactured stock. The company's factory building, which was one of the largest if not the largest of its kind on the coast, was totally destroyed together with its valuable machinery. The fire spread to the large wooden warehouse building which was also consumed. It was a brick veneered structure and was used also for an office. It also destroyed the sash and door factory of Williams Bros. had its source of lumber supply from the company's yards.

The origin of the fire is a mystery. A strong wind was blowing and the fire department was powerless to check the progress of the flames. The Sugar Pine Lumber yards are owned by the Booth-Kelley Lumber company and the loss to the firm is estimated at \$70,000, which insurance in the neighborhood of \$34,000.

**Finds Way to Live Long.**  
The startling announcement of a Discovery that will surely lengthen life is made by editor O H Downey, of Chubbuck, Ind., "I wish to state," he writes "that Dr King's New Discovery for Consumption is the most infallible remedy that I have ever known for Coughs, Colds and Grip. It's invaluable to people with weak lungs. Having this wonderful medicine no one need dread Pneumonia or Consumption. Its relief is instant and cure certain." J P Currin guarantee every 50c and \$1.00 bottle, and give trial bottles free.

The past week has been one of great extremes; the first half was wet and cool and the later portion was moderately mild, with bright sunshine, which was just the kind of weather that was needed for corn, potatoes, hops, gardens, and fall grain.

Spring grain is making excellent advancement and it looks promising in all sections of the state. Fall grain is beginning to head, and in general, the outlook for a good crop is favorable. Complaints are made that the fields are unusually weedy, and that wheat on the bottom lands has not recovered from its sickly, yellow color, due to the previous cold rains. Summer-fallowing, and corn and potato planting are in active progress in the Willamette valley.

Pastures are excellent, and stock are getting fat. The cold rains in the coast counties caused a slight falling off in milk during the first half of the week, but with the advent of warm weather the supply quickly increased to the normal amount. A good hay crop is now assured. The first cutting of alfalfa in southern Oregon will be made this week. Red clover in some portions of Marion county is reported to have been killed out in large patches, and this crop will be considerably short in those localities. Hops are in splendid condition; well up on the poles and the second training of the vines has been finished in many of the yards.

Reports from fruit men are very conflicting. In the Willamette valley, the Italian prunes and cherries have not set well, and so many have dropped that not over half a crop is expected. Bartlett pears in this valley are reported by some to be a total failure, while others expect there will be a fair crop harvested. The outlook for apples is apparently favorable, and petite prunes, and berries of all kinds promise abundant yields.

**Like a Drowning Man.**  
"Five years ago a disease the doctors called dyspepsia took such a hold of me that I could scarcely go," writes Geo S Marsh, well-known attorney of Nocona, Tex. "I took quantities of pepsin and other medicines but nothing helped me. As a drowning man grabs at a straw I grabbed at Kodol. I felt an improvement at once and after a few bottles am sound and well." Kodol is the only preparation which exactly reproduces the natural digestive juices and consequently is the only one which digests any good food and cures any form of stomach trouble. **MOTHERHOOD**  
The greatest ambition of American men and women is to have homes blessed with children. The woman afflicted with female disease is constantly menaced with becoming a childless wife. No medicine can restore dead organs, but Wine of Cardui does regulate derangements that prevent conception; does prevent miscarriage; does restore weak functions and shattered nerves and does bring babies to homes barren and desolate for years. Wine of Cardui gives women the health and strength to bear healthy children. You can get a dollar bottle of Wine of Cardui from your dealer.

**WINE OF CARDUI**  
142 Market Street, Memphis, Tenn., April 14, 1901.  
In February, 1901, I took one bottle of Wine of Cardui and one package of Theodor's Black-Draught. I had been married fifteen years and had never given birth to a child. I had been told that Wine of Cardui was a safe baby pill which was born March 31, 1901. The baby weighs fourteen pounds and I feel as well as any person could feel. Now my home is happy and I never will be without Wine of Cardui in my house again.

No Noxious Diseases. No Weakness of the Nerves. A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now cure themselves at home without publicity or loss of time from business which has been prepared after many years of close study and treatment of inebriates. The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drinker. Our records show the marvelous transformation of thousands of Drunkards into sober, industrious and upright men.

Do NOT WAIT. Do not be deluded by apparent and misleading "improvement." Drive out the disease at once and for all time. The "HOME GOLD CURE" is sold at the extremely low price of One Dollar, thus placing within reach of everybody a treatment more effectual than others costing \$25 to \$50.
