One Minute Cough Cure beats all other medicines I ever tried for coughs, colds, croup and lung troubles. Says D Scott Carrin of Logansport, Pa One Minute Cough Cure is the only absolutely safe cough remedy which acts immediately. Mothers everywhere testify to the good it has done their little ones. Croup is so sudden in its attacks that the doctor often arrives too late. It yields at once to One Minute Cough Cure. Pleasant to take. Children like it. Sure cure for grip, bronchitis, coughs. Laxative Bromo-Quinine Tablets
cure a cold in one day. No
Cure, no Pay. Price 25 cents.

The past week has been one of great extremes in temperature. The first two days were bright and warm after which it turned cool and cloudy. Frequent small showers have fallen during the latter portion of the week, and on several mornings during temporary clearing spells, light frosts occurred in the eastern portion of the State.

The condition of grain continues good, especially in the eastern portion of the State. There has been plenty of moisture for spring-sown wheat and as the plant has stood nicely the yield promises to be larger than usual. Fall wheat is heading but owing to the cool weather, it is making slow advancement, and steady, mild temperatures are now needed to mature a plump and hard kernel.

Some alfalfa has been cut in southern Oregon, and clover and is generally ready for harvesting, which is retarded by the unsettled condition of the weather. Pastures continue in excellent condition and stock is now fat and sleek. Sheep-shearing is progressing slowly and the clip will probably be an average one.

Sugar beets in Union county are being thinned and the crop is doing nicely. Gardens, corn, potatoes, and hops, all need warmer weather, but they continue thrifty and promising, although very backward.

The warm weather during the first of the week brought in a number of encouraging fruit reports to the effect that the damage to prunes, cherries and pears was not as great as expected, but the weather later became unfavorable, and the damage in the Willamette valley to Italian prunes, Royal Ann cherries and Bartlett pears pears is considerable. In southern and eastern Oregon the fruit outlook is very promising, and there will undoubtedly be plenty of berries in all parts of the State. Early apples have dropped badly, but winter apples, as far as can be determined, have set nicely.

Bert Peterson, of Milwaukee, wagered 100 dollars that he could hypnotize a ferocious bull in a field. The animal chased Peterson as soon as he approached. Peterson dodged for a while and was finally battered through a high board fence which he attempted to scale. He was taken to a Milwaukee hospital with three ribs broken his shoulder dislocated and his knee badly cut. He says he will pay the bet.

REDUCED RATES TO THE EAST

Those contemplating an eastern trip will be interested to know that there will shortly be on sale greatly reduced rate tickets in connection with the Rio Grand System, the famous "Scenic Line of The World."

This line offers its passengers a most delightful and comfortable journey to all eastern points.

It is the only line passing directly through quaint and picturesque Salt Lake City "The City of The Saints," Glenwood Springs, Leadville, Pueblo, Colorado Springs (where a side trip may be made to the Garden of the Gods and the summit of Pikes Peak over the cog-wheel railroad), and Denver, the queen city of the inter-mountain region. Stop-overs are allowed on all classes of tickets.

Three daily express trains make close connections with all trains east and west and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personally conducted excursion cars—each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant and inexpensive means of crossing the Continent can be found than this is provided by these excursions.

HOUSEWORK
Too much housework wrecks women's nerves. And the constant care of children, day and night, is often too trying for even a strong woman. A haggard face tells the story of the overworked housewife and mother. Deranged senses, leucorrhoea and falling of the womb result from overwork. Every housewife needs a remedy to regulate her menses and to keep her sensitive female organs in perfect condition.

WINE OF CARDUI
is doing this for thousands of American women to-day. It cured Mrs. Jones and that is why she writes this frank letter:
Glendale, Ky., Feb. 15, 1901.
I am so glad that your Wine of Cardui is helping me. I am feeling better than I have felt for years. I am doing my own work without any help, and I washed last week and was not one bit tired. That shows that the Wine is doing me good. I am getting dinner then a year was before, and sleep good and eat hearty. Before I began taking Wine of Cardui, I used to have to lay down five or six times every day, but now I don't think of lying down through the day.

No Nauseous Doses, No Weakness of the Nerves. A Pleasant Positive Cure for Liquor Habit.

It is not generally known and understood that Drunkenness is a disease and not weakness. HEAD NOISES CEASE IMMEDIATELY
F. A. WEDDAN, OF BALTIMORE, MARYLAND.
The Cause—Is a deep-seated curd of deafness, caused by the accumulation of a full quantity of wax, and not by the ordinary deafness of the ear.
About five years ago my right ear began to deafen, and this has since gone on my hearing in this ear entirely.
I underwent a treatment for months, without success, without the assistance of any physician, among others, the best treatment of the deafness of the ear, only an operation could help me, and soon I was told that I was to be deaf for the rest of my life, but the hearing in the affected ear would be restored.
I then saw your advertisement and decided to try a New York letter, and sent it. After I had used it only a few days my hearing was restored, and I was able to hear and hear to-day, after five weeks, my hearing in the affected ear has been entirely restored, and I am able to hear and hear to-day.
Very truly yours,
F. A. WEDDAN, 730 N. Broadway.
