

Catarrh

Is a constitutional disease. It originates in a scrofulous condition of the blood and depends on that condition. It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, disturbs the stomach. It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

Hood's Sarsaparilla

This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit.

Hood's Pills are the best cathartic.

X-Ray Not in It.

"As I understand it, an X-ray will go right through a man's head. There is nothing else quite so penetrating, is there?"

"Oh, I don't know. Did you ever hear my daughter sing?"—Tit Bits.

CATARRH CANNOT BE CURED

With local applications, as they cannot reach the seat of the disease, Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years, and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials, free.

People don't say as many mean things about others as they formerly did. People are becoming better. Abuse a neighbor, making charges that you do not half believe, and that you know are probably untrue, and you will feel mean for hours. You can't help it. THE CONGRESSMAN'S WIFE.

Imagines Many Things, but the Reality Disappoints.

The rural Congressman's wife, ambitious to be in society, and who fondly imagines that election to the House of Representatives carries with it the golden key to unlock all doors, learns her first and bitter lesson when she discovers that position means something, but persons are everything, says Harper's Magazine. Such a woman comes to Washington full of her own importance, profoundly impressed with the greatness of her husband, fondly believing that the wife of the President, the wives of the members of the cabinet, the wives of Senators, will receive her with open arms; that she will be invited to the dinners of which she has read in her local paper; that she will get her name in the newspapers, and her dresses will be described as was that of the Governor's wife, at the last charity ball. Alas, for her disillusionment! She learns that while a Congressman may be a very big man in his district, he is a very small man in Washington until he has established his right to be regarded as above the average. If he has money and tact, he may soon attract attention and cross the golden boundary; or if he has no money, but much ability, he will reach his destination by another route; if he has neither one nor the other, if he is simply an ordinary member of Congress, a very fair specimen of middle-class, commonplace intelligence, the social recognition for which his wife sighs will never be hers. The wives of Senators from her State will return her call, she may be invited to a tea, even to a dinner at the end of the season, but that will be the limit of her insight into society.

Only the brave fare well at a church fair.

SUMMER COLDS

Produce Chronic Catarrh.

Madame Isabella Ellen Baveas.

Madame Isabella Ellen Baveas, Life Governor Grand Lodge of Free Masons of England, in a letter from Hotel Saratoga, Chicago, Ill., says:

"This summer while traveling I contracted a most persistent and annoying cold. My head ached, my eyes and nose seemed constantly running, my lungs were sore and I lost my appetite, health and good spirits. Doctors prescribed for me all manner of pills and powders, but all to no purpose.

"I advised with a druggist and he spoke so highly of a medicine called Peruna, that he induced me to try my first bottle of patent medicine. However, it proved such a help to me that I soon purchased another bottle and kept on until I was entirely well."—Madame Isabella Ellen Baveas.

Summer colds require prompt treatment. They are always grave, and sometimes dangerous. The promptness and surety with which Peruna acts in these cases has saved many lives. A large dose of Peruna should be taken at the first appearance of a cold in summer, followed by small and oft repeated doses. There is no other remedy that medical science can furnish, so reliable and quick in its action as Peruna.

Address The Peruna Medicine Company, Columbus, Ohio, for a free book entitled "Summer Catarrh," which treats of the catarrhal diseases peculiar to summer.

The Cabbage Cure.

Cabbage is an old cure for drunkenness. The Egyptians ate it boiled before their other food if they intended to drink wine after dinner, and some of the remedies sold as a preventative of intoxication on the continent are said to contain cabbage seed.

ARE YOU DEAF?

ANY HEAD NOISES?

ALL CASES OF

DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

Gentlemen:—Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to ring, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.

S. is a combination of roots and herbs of great curative powers, and when taken into the circulation purges out and removes all manner of poisons from the blood, without the least shock or harm to the system. On the contrary, the general health begins to improve from the first dose, and S. S. S. is not only a blood purifier, but an excellent tonic, and strengthens and builds up the constitution while purging the blood of impurities. S. S. S. cures all diseases of a blood poison origin, Cancer, Scrofula, Rheumatism, Chronic Sores and Ulcers, Eczema, Psoriasis, Salt Rheum, Herpes and similar troubles, and is an infallible cure and the only antidote for that most horrible disease, contagious Blood Poison.

A record of nearly fifty years of successful cures is a record to be proud of. S. S. S. is more popular today than ever. It numbers its friends by thousands. Our medical correspondence is larger than ever in the history of the medicine. Many write to thank us for the great good S. S. S. has done them, while others are seeking advice about their cases. All letters receive prompt and careful attention. Our physicians have made a life-long study of Blood and Skin Diseases, and better understand such cases than the ordinary practitioner who makes a specialty of no one
