

WAS TRACY AT ASHLAND?

Papers There Think He and Two Pals Were in That City

The Ashland Town Talk of Saturday says:

Many people believe that Tracy, the escaped convict, was in Ashland last night. A man answering the published description of Tracy was here, and he had two companions. The three entered the cigar store of Thornton & Hildreth and after leaving Constable M N Long and others came to the conclusion that Tracy had been right here and had flown.

The description of Tracy was looked up and this man surely answered it.

There is ample reason to believe that it was Tracy and his pals, for they have been lost to the Washington for two or three days.

Saved a Woman's Life

To have given up would have meant death for Mrs Lois Cragg, of Dorchester, Mass. For years she had endured untold misery from a severe lung trouble and obstinate cough. "Often" she writes, "I could scarcely breathe and sometimes could not speak. All doctors and remedies failed till I used Dr King's New Discovery for Consumption and was completely cured." Sufferers from Coughs, Colds, Throat and Lung Trouble need this grand remedy, for it never disappoints. Cure is guaranteed by J P Currier Price 50c and \$1.00. Trial bottles free.

CHAMBERLAIN'S LEAD 267.

SALEM, July 22.—A complete unofficial abstract of the vote for governor at the June election has been compiled from the records in the bonds of the several county clerks. It shows Chamberlain's plurality to be 276, instead of 256, as heretofore supposed. The vote was: Chamberlain, 41,858; Furnish, 41,581; Hunsaker, 3483; Ryan, 3771; total, 90,692. About 2300 of those who cast ballots failed to mark their ballot so as to express a choice for governor.

The I O O F Lodge.

Last Saturday evening the Leader reporter had the pleasure of attending the public installation of the officers of the I O O F lodge. District Deputy Grand Master Hayden of Drain, was present and installed the officers as follows:

Al Crusen, N G; S E Wallace, V G; A H King, Secy; W C Johnson, Treas.

After the installation ceremonies were over, Past Grand Master J J Walton of Eugene, presented to "Uncle" Samuel Garoutte a 50 year jewel, from the grand lodge of the State of Oregon. Mr Garoutte has been a member of the I O O F for 50 years and during no time has he been out of standing. He is at present an honored member of Cottage Grove Lodge No 68 and is 80 years of age.

A superb banquet was served and all who attended enjoyed a splendid time. A number of visitors were present from Eugene, Goshen, Lorane and Drain lodges.

Poisoning the System.

It is through the bowels that the body is cleaned of impurities. Constipation keeps these poisons in the system, causing headache, dullness and melancholia at first then unsightly eruptions and finally serious illness unless a remedy is applied. DeWitt's little early Bilets prevent this trouble by stimulating the liver and promoting easy, healthy action of the bowels. These little pills do not act violently but by strengthening the bowels enable them to perform their own work. Never gripe or distress. Benson Drug Co.

New Buildings Nearing Completion.

"Just Like Shooting Eels."

Perhaps there is no one but what has heard the above expression. If one will visit the mill dam almost any day now they can see a number of boys enjoying the sport. There is thousands of eels in the creek at this season of the year and congregate in large schools at the dam being unable to ascend further up the river. At that place hundreds of them have been killed and are lying thick in the rocks. The smell is none too sweet.

BIG MINING COMPANY.

Organized With a Capital of \$1,250,000 to Operate in Bohemia.

THE DISTRICT VERY ACTIVE.

COTTAGE GROVE, July 22.—The Great Eastern Mining Co was organized a few days ago with a capital stock of \$1,250,000. The company has purchased property in the Bohemia mining district and will begin operations at once. The company has some excellent claims in the district and will purchase machinery as soon as necessary arrangements can be made for placing same. The new corporation has some good mining men back of it and has first-class claims to work and will make a good showing in a very short time.

Bohemia Mining district is very active at present and new strikes are almost too frequent to chronicle. That large number of people are eagerly searching for new claims shows to an observer that Bohemia is a great camp and one which is attracting the attention of capitalists all over the United States. Several minor sales have been consummated already this season.

Every stage from this city is loaded to its fullest capacity with men going in to view the wonderful riches of the district.

From every hillside and far down in the deep canyons may be heard the loud report of exploding dynamite as the earth and rocks are being torn away to disclose the rich ledges of gold and selena in this great natural treasure vault where untold riches are being brought to view. Besides the numerous claims that are being worked by individuals there are several large companies with paid up capital ranging all the way from \$100,000 to \$3,500,000 and which companies are working two full shifts and pushing work as fast as possible with improved machinery and expert miners.
