Elastic Money

Hot weather makes the railroad irons stretch and the telegraph wires grow longer. If you've any money to spend, you'll find when you get to Newlands that it has stretched fully ten per cent. so that a dollar will buy more than a dollars worth.

Some Very Interesting Prices

We have made special prices on Shirtwaists in white and colars, summer dress goods, all rement dry goods and we are putting out about two hundred pairs of shoes of all sizes and kinds at greatly reduced prices. These are good servicable shoes. They are a little off as to style and we have to make room for new goods. A pair of this lot will be sold for 50c a pair. You'll find a price shrinkage in every other part of the store, too.
