### JUST AS A "STARTER."

In his Dalton (Mass.) speech Mr Roosevelt said: "When I talk to you of my own executive duties, I can tell you definitely what will and what will not be done." Well, as a starter, Mr Roosevelt might say whether he intends to bring criminal proceedings against the violators of the federal anti-trust law. So far he has maintained a significant silence on this interesting topic.

### NO SHANDLEER FOR HIM.

Must Have been at Eugene.

The congregation was debating question of whether or not to purchase a chandelier for the new church. Some argued in favor of it, and some opposed. Reasons, pro and con were advanced on both sides.

Throughout the discussion, one old brother sat silent, apparently biding his time. By and by, he arose and cleared his throat. His solemn air indicated that he believed he had something important to impart. "Brethern," he said, "You are a-talking here about buyin' this here shandleer. It would cost a whole lot of money, and after ye bought it, what would you do with it? Who have ye got, who have ye got, I say, that could play on it? Ez fer me, I dont want no shandleer unless we got a sister among us ez kin play the thing to a standstill. I'm fur progress, fust, last and all the time, but I dont want no instruments a standin' around idle."

The point settled the question and the purchase of the four lamp chandelier was indefinitely postponed. The incident is an actual occurrence, and said to have occurred some where down the valley. It must have been in Eugene.

#### Donkey Engine.

Messrs Long & Bingham received their large new "donkey" engine and boiler Wednesday. It will be used in hauling logs to the O & S E railroad for shipment to their new saw mill. The engine is a dandy and will add greatly to the output of the mill.

#### Fine Hat.

The Misses Bartels showed us a fine ostrich feather Wednesday that they had sold. It was a beauty and only cost \$20 cash. The hat when completed brought them \$30 and is without doubt the finest specimen of the millinery art ever displayed in the city. If you want the most beautiful hats of the season you don't have to go to Eugene for them. Call on the Misses Bartels and examine their new and up-to-date styles.

They cleanse the system of all poison and putrid matter and do it so gently that one enjoys the pleasant effects. They are a tonic to the liver. Cure biliousness, torpid liver and prevent fever. ### THE PRESIDENT ILL.

Has an Operation Performed

A Result of the Trolley Car Accident at Pittsfield, Mass.

As a result of the traumatism (bruises) received in the trolley-car accident at Pittsfield, Mass., there was found to be a circumscribed collection of perfectly pure serum in the middle third of the left anterior tibial region, the sac containing about two ounces, which was removed.

The indications are that the President should make speedy recovery. It is absolutely imperative however, that he remain quiet from using the leg. The trouble is not serious, but temporarily disabling.

### STORIES OF CRUELTY.

In spite of the fact that the republicans insist that our retention of the Philippine islands is purely benevolent, the returning soldiers continue to tell of cruelties that would shock any one not thoroughly enamored with the doctrine of force and conquest. The school teachers, too, who have been sent over there are finding conditions very different from what they expected. When they come home we shall have disinterested expert testimony.

### PHILLIPINE CHOLERA.

WASHINGTON, Sept 23.—Latest reports to the war department are that cholera has gained a foothold in the army in the Philippines.

Thirty-four deaths are reported as occurring in one day from the virulent disease.

Minstrels never will die, but old minstrel ideas have been dead for some time; in fact, ever since Beach & Bowers launched a new and up-to-the-minute novelty in minstrelsy. The company will be here on Tuesday, Sept 30 and should be attended by all who love the bright and clean in minstrelsy. Beach & Bowers always give us wholesome fun and their appearance is heralded with pleasure.

### We Have Not Got into The White House Yet.

But we are getting very close to it. The late Vice President Hobart used in his residence a Needham piano, and Crvil Dodge secretary for Binger Herman bought a piano from us. Next week you can see a letter in my show window which ought to be proof of the above fact.

Mr Frank Jordan of this city, purchased from us a fine Chickering piano. Best in the world. And Mr and Mrs Collins, of Saginaw secured one of our fine Colonial style Needham, a beauty. I can safely say that there is no better upright piano made than the Needham. We also carry some other high grade pianos, and some as low as \$150 on terms to suit. Organs at all prices. From \$16 up to \$100. Reasonable discount for cash. Call at our store in Cottage Grove. Get our prices, than a piano or organ, and be happy.

### DIED.

DAVIS.—The infant daughter of Mr and Mrs Chester Davis, Tuesday evening. Mr and Mrs Davis have the sympathy of a host of friends in their loss.

WALLACE.—Margarette, daughter of Mr and Mrs W L Wallace, died at their home in this city, Sunday morning, aged 3 years, 1 month and 24 days.

The family have the sympathy of the entire community in their sad bereavement.

One more little lamb is folded,  
Safe on the Shepherds' breast;  
One more of earth's ties is severed,  
Little Margaret has gone to rest.

One more of our loved ones waiting,  
In that Heavenly home so bright;  
Waiting till life's scenes are ended,  
And we enter that "City of Light."

Tho' our hearts are torn with anguish  
As we bow beneath the rod,  
Teach us now to whisper calmly  
Not our will but Thine, oh God.

The "Lyric Queen" will be presented by Miss Georgia Harper and Company on Oct 7th.
