 Ex-Governor John Whiteaker lies at the point of death at his home in Eugene. Latest advice states that the venerable ex-Governor is constantly growing weaker and no hopes are entertained of his recovery. Several years ago Mr Whiteaker suffered from a stroke of paralysis and has never recovered from the shock entirely and his advanced age, about 82 years, makes his chances of recovery from his recent attack anything but hopeful. He was Oregon's first governor and has always been held in the highest esteem.
