

Lorane Fair.

The progressive Loranes hold their annual fair at Lorane on October 8th and 9th. More pains than usual has been put forth this season to make the occasion the best ever witnessed. The Crow brass band and an Orchestra from Eugene will furnish the music and from the list of prizes offered every agricultural industry in the valley will be strongly represented. Space forbids the publication of the full list of prizes but the following are given to show the great variety of exhibits that are promised:

- \$2.50 2nd best general exhibit;
- \$2 best collection of house plants;

All exhibits must be entered as early as possible and not later than three o'clock the first day of the fair. A fine musical present will also be given to the most popular lady in attendance at 5cts a vote and the proceeds will go toward defraying the expenses of the day.

A grand ball will close the exercises on Oct. 9th under the auspices of the Eugene Orchestra.

The Lorane people know now to interest the public when it comes to an agricultural fair and all who attend their efforts in this behalf are sure of coming away conscious of having spent a pleasant and profitable time. They are deserving of the best success.

A Good Showing.

Monday night the Warehouse hotel had fifteen men for lodging on their way to the mines and the night before had twenty-four lodgers to and from the mines. This is a good showing as the Warehouse route only gets about one-half the travel to and from the mines as the regular stage line runs up the Sharp Creek route. It is safe to say that at least twenty five people are continually enroute to the mines every day and as many more are probably on their way out. And yet now and then you will find some people who think the mines don't amount to much. Just wait till the railroad is completed, then you'll see.

New Church.

The Episcopal people, of this city, are talking of erecting an elegant new church in the Long & Bingham addition to Cottage Grove in the near future.

STOPS PAIN

Athens, Tenn., Jan. 21, 1901.
Ever since the first appearance of my menses they were very irregular and I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Theobald's Black-Draught, and I passed the monthly period without pain for the first time in years.

Beach and Bowers' Minstrels at The Lansing.

At the Lansing last evening the Beach & Bowers' minstrel organization made good the claim of being the monarchs of modern minstrelsy. On various occasions I have hesitated to recommend a show for the coming matinee and evening for fear the suspicion of pecuniary collusion between the managers and myself might get abroad and damage my reputation for veracity. This is one of the instances in which it behooves me to say in all sincerity: Go and see it.—Lincoln Evening News.

Dry Kiln.

The frame work of the new dry kiln for finished lumber for the Long & Bingham saw mill is about completed and ready for the roof and siding. When completed with the installation of their new planing mill, they will be fully equipped to turn out some of the finest finishing, as well as rough lumber, that can be manufactured in the county.

ABOUT PIANOS.

Those who know the least about a piano are generally the ones who have the most to say, and the quality of the piano in their estimation depends mostly on the commission they received from the different dealers. If people would judge pianos a little more by the annual output of the factory, they would judge nearer right. For instance the Chickering piano company puts out 5,000 pianos annually. Steinway & Sons 4,000. Needham Piano Co 2,500 annually a good showing with all the high grade instruments. Jacob Dbl 7,500. Schulz 3,500, and the Trobridge Piano Co not incorporated puts out 800 annually. The Kimball pianos have more indorsements by the leading musicians of the world than any other piano manufactured. The above figures are taken from the piano purchasers guide, published by the music trades Co. N. Y.

Cottage Grove Band.

The CM A band, which means the Coming men of America, in Music, arrived from Cottage Grove Tuesday to furnish its portion of the music during the Carnival. The boys are right to the front and play excellent music in first class style.

The personnel of the band is as follows: Chas Cochran, director; H Cochran, W L Niehoff, Guy Van-Riper, Will Perman, Newt Cruson, cornets; Albert Griffin, Oliver Elsea, Earnest Bisby, Merle Scovell, altos; Robt Blair, Irwin Petrie, trombones; C W Wallace, Orville Taylor, baritones; Lloyd Bisby, Blaine Jackson, basses; Earl Hill, Clyde Nokes, drums.

Graders at Work.

The O & S E have two large forces of graders now at work grading for the new road upon the second ten mile extension. They are now grading through the Stewart farm at Star Postoffice but are several miles behind the right-of-way gang who are clearing the way now through the Hawley ranch just this side of Wildwood.

Eugene's Street Fair

And Carnival opened Wednesday by a monster parade. The weather man was a little too free with his moisture otherwise the fair promises to be a grand success. Quite a number of Cottage Grove people have already gone down or will go to witness the carnival before it is over.

Lingering Summer Colds.

Don't let a cold run at this season. Summer colds are the hardest kind to cure and if neglected may linger along for months. A long sedge like this will pull down the strongest constitution. One Minute Cough Cure will break up the attack at once. Safe, sure, acts at once. Cures coughs, colds, croup, bronchitis, all throat and lung troubles. The children like it. For sale by Benson Drug Co.

No Seats.

About seventy-five Cottage Grove people took advantage of excursion rates Wednesday to go to the street fair and carnival at Eugene but found, on boarding the train, every seat occupied and therefore had the pleasure of a standing ride to the County Seat. It is a wonder the S P Co had not the foresight to furnish an extra car or two as Cottage Grove can always be counted on furnishing a large crowd when Eugene has an extraordinary attraction.
