

The Boys Mean Business.

The C M A band boys have entered into a contract with Chas Cochran to teach their band for the next six months two nights a week for \$40 per month. The boys mean business and are to be congratulated upon their selection of Mr Cochran to lead them. Their organization is now among the permanent features of the Grove and our citizens should take a pride in helping them along in their splendid work. No town that claims for itself any progressive spirit should be without a good band and when our young men procure by their own means their individual instruments and secure the service of an able instructor they should have the active support of every progressive citizen. Rah, for the C M A band.

Mr Allison expects to fit up his shop in style and make it second to none in the county, making room for 3 chairs, bathing parlors etc. Mr Madsen will at once enlarge his valuable stock of Jewelry, Clocks etc adding a new show case or two and continue his growing business at the "new" stand where his smiles and bright jewelry will shine with greater luster than ever before.

STOPS PAIN

Athens, Tenn., Jan. 27, 1901.
Ever since the first appearance of my menses they were very irregular and I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Thedford's Black-Drainage, and I passed the monthly period without pain for the first time in years.

GERVAIS IN ASHES

The little city of Gervais was nearly wiped out by fire Sunday night. The fire started in the business portion of town and owing to their poor facilities for fighting the flames and a prevailing strong wind the greater part of the town is in ruins. The flames not only destroyed the principal business portion of the city but many residences were burned and many of her citizens to day are homeless. The loss is estimated \$100,000. Gervais was a flourishing town of 600 inhabitants on the S P R R 25 miles north of Salem in what is known as the French Parie, one firm the Goodman store were said to have carried a \$40,000 stock of goods.

Free Concert.

The C M A band will give an open air concert this Friday evening in front of the Sherwood House. Don't fail to go out and hear them. The boys will make some good music and it will be a treat. They are deserving of a good crowd and they should be encouraged.

China Pheasants Scarce

Hunters report an unusual short crop of game birds this season, especially pheasants. Late spring rains and unlawful hunting out of season is generally believed to be the cause of their scarcity.

A Fair Show.

The Georgia Harper Co showed to two good houses Tuesday and Wednesday evenings. Miss Harper is one of the best actresses on the road that visits towns of this size and was fairly well supported on this trip. They have visited Cottage Grove several times and always attract a fair crowd of show goers.

ABOUT PIANOS.

Those who know the least about a piano are generally the ones who have the most to say, and the quality of the piano in their estimation depends mostly on the commission they received from the different dealers. If people would judge pianos a little more by the annual output of the factory, they would judge nearer right. For instance the Chickering piano company puts out 5,000 pianos annually. Steinway & Sons 4,000. Needham Piano Co 2,500 annually a good showing with all the high grade instruments. Jacob Doll 7,500. Schulz 3,500, and the Trobridge Piano Co not incorporated puts out 800 annually. The Kimball pianos have more endorsements by the leading musicians of the world than any other piano manufactured. The above figures are taken from the piano purchasers guide, published by the music trades Co. N. Y.

We Have Not Got Into The White House Yet

But we are getting very close to it. The late Vice President Hobart used in his residence a Needham piano, and Crvil Dodge secretary for Binger Herman bought a piano from us. Next week you can see a letter in my show window which ought to be proof of the above fact. Mr Frank Jordan of this city, purchased from us a fine Chickering piano. Best in the world. And Mr and Mrs Collins, of Saginaw secured one of our fine Colonial style Needham, a beauty. I can safely say that there is no better upright piano made than the Needham. We also carry some other high grade pianos, and some as low as \$150 on terms to suit. Organs at all prices. From \$16 up to \$100. Reasonable discount for cash. Call at our store in Cottage Grove. Get our prices than a piano or organ, and be happy.
