Strike at the Lucky Boy.

From Mr Geo Lea, who returned from Eugene Sunday, we learn that the miners and employes at the Lucky Boy Mine in Blue River have gone on a strike. All the men except three quit and called for their time alleging poor grub and poorer cooks as the cause of the strike.

The Lucky boy people ought to visit Bohemia and see how well the miners fair in that district and then go home and take a tumble to themselves. A mining company that won't furnish good wholesome food and neatly cooked to their employes ought to loose their men. We admire the un-Lucky boy's grit.

Some New Blood.

The annual stockholder's meeting of the LeRoy Mining Company was held in their office rooms last Thursday and elected the following directors for the ensuing year, A D LeRoy, Dr L W Brown, J L Leroy, W C Johnson and Dr Wall. The election resulted in injecting some new blood into the management of the company and will doubtless add to the strength of the corporation.

We are informed that the new directors will not be formally installed until some time next month when they will elect their president, vice president, secretary and treasurer and appoint a superintendent.

ABOUT PIANOS.

Those who know the least about a piano are generally the ones who have the most to say, and the quality of the piano in their estimation depends mostly on the commission they received from the different dealers. If people would judge pianos a little more by the annual output of the factory, they would judge nearer right. For instance the Chickering piano company puts out 5,000 pianos annually. Steinway & Sons 4,000. Needham Piano Co 2,500 annually a good showing with all the high grade instruments. Jacob Doll 7,500. Schurz 3,500, and the Trobridge Piano Co not incorporated puts out 800 annually. The Kimball pianos have more endorsements by the leading musicians of the world than any other piano manufactured. The above figures are taken from the piano purchasers guide, published by the music trades Co. N. Y.

We Have Not Got Into The White House Yet

But we are getting very close to it. The late Vice President Hobart used in his residence a Needham piano, and Crvil Dodge secretary for Binger Herman bought a piano from us. Next week you can see a letter in my show window which ought to be proof of the above fact.

Mr Frank Jordan of this city, purchased from us a fine Chickering piano. Best in the world. And Mr and Mrs Collins, of Saginaw secured one of our fine Colonial style Needham, a beauty. I can safely say that there is no better upright piano made than the Needham. We also carry some other high grade pianos, and some as low as \$150 on terms to suit. Organs at all prices. From \$16 up to \$100. Reasonable discount for cash. Call at our store in Cottage Grove. Get our prices than a piano or organ, and be happy.

WHY GO EAST?

Over the sun burned, sage brush and alkali plains when you may just as well take a delightful, and cool ride through the heart of the Rocky Mountains in view of the grandest scenery on the American Continent?

This you can do by traveling on the Rio Grand System, the far famed "Scenic Line of The World." the only transcontinental line passing through Salt Lake City, Glenwood Springs, Leadville, Colorado Springs and Denver enroute to eastern points.

Three daily express trains make close connections with all trains east and west and afford a choice of five distinct routes of travel. The equipment of these trains is the best, including free reclining chair cars, standard and tourist sleepers, a perfect dining car service, and also personal conducted excursion cars, each in charge of a competent guide, whose business is to look after the comfort of his guests. No more pleasant or inexpensive means of crossing the Continent can be found than is provided by these excursions.
