DRAIN NORMAL NOT IN IT Couldn't Score Against G M A Aggregation

A Pretty Exhibition of Foot Ball and
Everybody was Pleased

After all the people got their money's worth Saturday if Ashland did have cold feet. The game had been extensively advertized with Ashland High School versus the C M A for Friday and when it was known that the game was all off and the people, who had been whetting their foot ball appetites began to express their disappointment the C M A team immediately arranged a game with the Drain Normal for the next day. "They came they saw" and we conquered. The day was fine and the ground was excellent for fast ball and our boys didn't do a thing but play the game. Drain's team was considerable heavier but they were too slow and after the first ten minutes when their line plunges seemed perfect they weakened and were never afterward really in it. Drain kicked off to the C M A's 14 yard line and Jackson carried the ball back 20 yards, here Drain made a plucky stank but were steadily forced back into their own territory where they finally got the ball on a fumble. Then the struggle was on in earnest by a series of mass plays the ball was railroaded back to the Grove's 20 yard line when our boys recovered from their surprise and held them for downs. They failed to make their yardage and Hill punted to Drain's 35 yard line. This time Drain's heavy plunges failed and they were held for a loss of 5 yards. The C M A's then by a gain of 5 yards, on an end run by Blair and a fine kangaroo by Hill which advanced the ball 7 yards, put the ball to Drain's 20 yard line. Then for two downs it seemed as if Drain would again get the ball when Jackson dashed around the end and amid the defening roar of the rooters he planted the pigskin squarely behind the goal. A moment later Hill kicked the goal and the C M A's had got their revenge for their defeat a month ago at Drain. During the remainder of the half the ball was kept in the Drain's territory and was in five yards of their goal line when Hill tried a drop kick for goal but failed just as time was called.

In the second half Cottage Grove's goal was never in danger and after a beautiful exhibition of fast ball Blair skirted around the end for a touch down near the ground limit but Hill could not kick the goal. The game now stood 11 to 0 and the crowd was wild. Drain again made a desperate effort to score but were held for downs and forced to punt. Now came the most exciting spectacle of the day. Hill kangarooed for 5 yards, Blair attempted a right end run but was floored for a loss of three yards. A few line bucks succeeded in getting the ball back to Drain's 30 yard line when Jackson made the longest run of the day around the left end and Drain could not break through the interference nor prevent the third touch down. Hill easily kicked the goal and soon after time was called.

THANKSGIVING GAME 16-0

The Roseburg High School

Goes down before the C M A's to the tune of Sixteen to Nothing.

Yesterday was another gala day for foot ball enthusiasts in Cottage Grove. The C M A team was too much for the visitors who worked like Trojans, but were successfully held for downs when it was necessary. The Cottage Grove goal was never in serious danger, the 15 yard line being the nearest Roseburg ever came of putting the ball over the line. The field was a sloppy one and not in condition for fast playing yet some good end runs were made by Blair and Jackson and full back Hill went over the heavy aggregation's lines for gains every time he tried the kangaroo jump. Roseburg made a desperate effort to score in the first half and succeeded by their heavier weight in making some good line plunges for yardage and successfully made one twenty yard run around the end on a fake punt, but it was of no use and only caused the C M A's to glue themselves to ground and held them for a loss of four yards. The home team made a fumble early in the game on an attempted punt and lost 30 yards this probably only lessened the score however for the ground was soon regained and Blair was finally forced through the line for the 2nd touch down.

Score first half
Cottage Grove 6, Roseburg 0.

BERLIN, Nov 24.—Baron Krupp's widow is sole heir to the famous gunmaker's millions. The will provides that the business shall not be put into a stock company or sold within the next 25 years.

The score stood C M A 17, Drain 0, and everybody was happy even the people from Drain could not help from admiring the dashing pluck and fast ball that more than evened up all old scores. Cottage Grove didn't show a weak spot and the stars of the day were Jackson, Blair, Currin, Hill and Griffin. The ends were simply perfect and the line was strong after they recovered from their first shock. Through out it was a clean game and everybody was satisfied. The following was the lineup;
