

### STOPS PAIN

Athens, Tenn., Jan. 27, 1901.  
Ever since the first appearance of my menses they were very irregular and I suffered with great pain in my hips, back, stomach and legs, with terrible bearing down pains in the abdomen. During the past month I have been taking Wine of Cardui and Theodor's Black-Draught, and I passed the monthly period without pain for the first time in years.  
NANNIE DAVIS.

What is life worth to a woman suffering like Nannie Davis suffered? Yet there are women in thousands of homes to-day who are bearing those terrible menstrual pains in silence. If you are one of these we want to say that this same

Purchase a \$1.00 bottle of Wine of Cardui to-day and take it in the privacy of your home.

should be of the finest tempered steel, capable of taking the keenest edge, and the handle should be in keeping with the blade. ### Griffin & Veatch.

The Democrat says Albany is full of boys not attending school and who do nothing. This should not be permitted. What are your officers doing? Have you no mayor? Why not try enforcing some of the laws? Had this been done the taxpayers of the county would not now be boarding six hoodlums at the county jail. Really, Albany ought to take care of her hoodlums herself. Is not this so?

I notice that when I sell a bottle, they come back for more. I can honestly recommend it. 25c and \$1.00 at New Era drug store."

### Frazer's Concert.

Louis Arthur Frazer, who is perhaps one of the leading pianists on the Pacific Coast, gave a high class entertainment, Monday evening, assisted by Miss Nina Ostrander, of this city, at Martin's Opera House. The audience though not large highly appreciated the performances of every number on the program. Miss Ostrander has wonderfully improved in voice culture and bids fair to rank high as a soprano soloist and Cottage Grove feels proud of her success. Mr. Frazer's skill and technique is certainly seldom excelled upon the piano and his performance Monday night, was certainly a veritable music treat. The entertainment was given under the auspices of Richardson's music company of this city.

### Oregon and Washington Fires.

The Bureau of Forestry has received a report from one of its agents which shows that the damage caused by forest fires in Northwestern Oregon and Southwestern Washington during September was much greater than has been generally supposed. After a careful trip through the regions devastated by the fire, William T. Cox, who was detailed by the bureau for this work, in a conservative estimate, places the damage in Oregon and Washington at \$12,767,100. Of this, \$3,910,000 is in Oregon, and \$8,857,100 in Washington. This includes all losses caused by the fires to farm property, sawn lumber, manufactured lumber, standing timber, etc. This estimate is based on personal observation in the burned district, both in Oregon and Washington, conference with lumbermen, farmers and settlers, and other trustworthy sources of information. Owing to its nearness to market, however, much of the damaged timber in the burned regions of Oregon will be saved, and the net loss will be smaller than the foregoing figures. In Washington a portion will also be saved, though a smaller percentage, owing to its being less accessible to means of transportation.

Much of the era burned over was covered with virgin forest, mainly the Douglas spruce, cedar and hemlock. Besides the great loss of property, 18 persons were killed and many more injured, and 86 families rendered homeless. Much of the large and small game in these regions was destroyed.

A Denver judge has sentenced the Mayor of that city and eleven Aldermen to spend four months in jail, and if the program does not misarry, those leading citizens who are still at large believe the town can get along without a public "zoo"
