Heads Should Never Ache.

Never endure this trouble. Use at once the remedy that stopped it for Mrs N A Webster, of Winnie, Va., she writes "Dr King's New Life Pills wholly cured me of sick headaches I had suffered from for two years." Cure Headaches, Constipation, Biliousness. 25c at J P CURRIN'S drug store.

There are now six state legislatures that are now in dead lock over the Senatorial question: Colorado, Delaware, Kansas, North Carolina, Oregon and Washington. The most strenuous of all the fights is the one in Colorado, where aspiration for Senator Teller's seat has almost precipitated open disorder. Next comes Delaware, which has no Senator at all as the result of the irreconcilable desire of Addicks on the one hand and the antipathy to Addicks on the other. It is in favor of Addicks that he has 21 votes out of a necessary 27, but it is against him that the minority prefer to see no representation rather than consent to his election. So stubborn an opposition must have some merit in its resistance.

To Take The Census.

Mrsrs A H King and T M Medley are preparing to take the census of Cottage Grove and will commence work on the undertaking right away. The object is ascertain the true population of Cottage Grove and many other features of public interest. It is a laudable purpose and should meet with the hearty approval of our people.

Rev Carlisle P B. Martin L L D.

Waverly Texas writes: "Of a morning when first rising, I often a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons, needing a medicine for throat troubles." Prices 25c, 50c, \$1.00 bottle at New Era Drug Store.

Miss Shirley Coming.

Miss Jessie Shirley and her popular company will play here one night before going to Eugene. Although the company has never played in our town, still they are well known in our midst and it will be a great opportunity to see a first class attraction here. "In the Hands of the Enemy" a comedy melo-drama will be the attraction. The play illustrates the restless and revolutionary spirit of the people of the South American Republics. Edgar Hunt an American mining engineer, is sent to Columbia to survey a tract of land for a New York syndicate. An English adventurer in league with the Columbia government tries to secure possession, which is of great value. Failing to bribe the American engineer to send a false report, they arrest him on a charge of conspiracy. By the help of an American girl and the aid of the sailors from an American man-of-war the villains are foiled at the last minute.

Finds Way to Live Long.

The startling announcement of a discovery that will surely lengthen life is made by editor O H Downey, of Churubusco, Ind., "I wish to state" he writes, "that Dr King's New Discovery for Consumption is the most infallible remedy that I have ever known for Coughs Colds and Grip. It's invaluable to people with weak lungs. Having this wonderful medicine no one need dread Pneumonia or Consumption. Its relief is instant and cure certain" J P CURRIN guarantees every 50c and \$1.00 bottle, and gives trial bottles free.

THE MORMON TEMPLE.

The Mormon temple at Salt Lake City is no doubt the most substantial and well constructed religious edifice in the United States, if not in the world. Corner stone laid April 6, 1853, cap stone April 6, 1892 and dedicated April 6, 1893, over forty years of constant labor being consumed in its construction. This magnificent structure 200 feet long, 100 feet wide is built entirely of Utah white granite, beautiful carved, symbolic of the Mormon faith, surmounted by six towers, the highest being 230 feet from the ground, supporting bronze statues of the angel Maroni. The cost of this building is about \$6,000,000. There are many other attractions at Salt Lake City of interest to the traveler or tourist, where a day can be well spent. The Rio Grande is the only Trans continental route passing directly through Salt Lake City, where a stop over is allowed on all classes of tickets. The service of the Rio Grande lines is unexcelled. Three trains daily between Ogden and Denver, carrying all classes of modern equipment. If you are contemplating a trip to the East, write the undersigned for information regarding rates via the "scenic line of the world."
