### The Senatorial Fight.

#### IS BECOMING STALE

Fulton's Gains are so Slow that it Will Take about Seven Weeks More to pull him out a Winner

GEER IS NOT LOSING ANY SLEEP OVER THE SITUATION.

Up to the time of going to press no material change in the senatorial situation, at Salem has occurred. Fulton has made some slight gains, but even the opposition conceded the Clatsop gentleman a larger following at the beginning of the session than he has as yet been able to muster at the end of two weeks of voting. Geer has lost in proportion to Fulton's gains but it is pretty certain that he will get back all his losses when Eulton's star begins to wane.

The seventeen democrats have so far stood solidly for Mr Wood as their constituency instructed them by their votes last June. From this stand they should not waver as long as the republican party is determined to thwart the expressed will of the majority of the people. But if the time ever comes when the republican party shows any earnest disposition to abide by the will of the people, it would not be a sin to help a republican do his duty, although it might and probably would give some of them the heart disease. The vote stood;

Waverly Texas writes: "Of a morning when first rising, I often a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons, needing a medicine for throat troubles." ### AN OLD MAN KILLED.

Knocked from a Trestle North of Oakland Friday.

About noon Friday an old man named D Martin, was knocked from the railroad trestle across Calapooia creek just north of Oakland, and killed. The deceased was about 60 years of age and had been about town for a day or two, and seemed partially demented. He had started north atoot, and was on the long trestle when the stub train which left Roseburg on the schedule of the northbound local overtook him. He crawled down on one of the projecting supports but as the second car came by he raised his head and was struck by the car steps, knocking him into the water below. A slight struggle or two followed and all was over. It was thought that he was employed with Anderson's gang on the S P R R., last summer, but nothing is known as to his antecedents, or where he claimed his home. The body was soon recovered but life was extinct.

### THE MORMON TEMPLE.

The Mormon temple at Salt Lake City is no doubt the most substantial and well constructed religious edifice in the United States, if not in the world. Corner stone laid April 6, 1853, cap stone April 6, 1892 and dedicated April 6, 1893, over forty years of constant labor being consumed in its construction. This magnificent structure 200 feet long, 100 feet wide is built entirely of Utah white granite, beautiful carved, symbolic of the Mormon faith, surmounted by six towers, the highest being 230 feet from the ground, supporting bronze statue of the angel Maroni. The cost of this building is about \$6,000,000. There are many other attractions at Salt Lake City of interest to the traveler or tourist, where a day can be well spent. The Rio Grande is the only Trans continental route passing directly through Salt Lake City, where a stop over is allowed on all classes of tickets. The service of the Rio Grande lines is unexcelled.
