Iron in Place of Wood.

Arranging It for Presentation. WASHINGTON, December 24 .- The Secretary of the Treasury has sent to the House a letter saying as soon as the in-

formation mentioned in the resolution offered by Dingley relating to the Behr-

five counties, is becoming more intense daily, and immediate steps alone can pre vent many deaths by starvation. Thre blighted counties raised a very light crop, and the last two years the crops have been almost total failures. Many fam-

ilies have not enough provisions in their homes for one week's sustenance and no money with which to purchase the ne cessities of life. The sufferers cannot ob tain employment and unless they receive aid very soon, it is the general opinion that many will starve to death, and
