### GREAT OPPORTUNITIES.

Oregon Statesman: We are con-

ern Oregon coasts-millions upon millions in it-when the successful methods are finally discovered and We are reminded of the intensified

agriculture in the rich Willamette valley-more millions to be dug out of the ground by the plow, hoe and cultivator, than will come from even the mountains of black sand-resources that cannot be worked out. The lands will grow richer and the least with the college, as at United States Land Office, Roseburg, richer under the hand of intelligent agriculture.

> Break Bad Temper. From the New York Evening World.

Anger gets more people into trouble than meanness. We do and say things while in a temper that we spend the rest of our lives regretting. Parents should never punish their children while in anger, for if they do the child invariably gets more than it deserves Wait till you cool off before you whip or if it is the child that has a temper, and not yourself, break it before the age of 6 is reached, for if you don't, then that child's temper is likely COTTAGE GROVE, never to be conquered.
