The Brussels delegate to the Venezuela government, Velos Guiticoa, recently visited The Hague, and exhausted every channel without success in support of the Venezuela claim. Fivo years ago the British vice-consul at Ciudad Bolivar, examined the

Spanish records and proved the British aspect of the case completely." The Berlin correspondent of the

Standard says: "I have excellent reasons to state

that the reports of an agreement between Russia and the United States about Venezuela are unfounded. On the contrary the czar was painfully surprised at President Cleveland's message, and any war involving England sideration. would be unwelcome to the Russian court, on the approach of the corona-

The New York correspondent of the Times, while he affirms his previous convictions that there is no longer any feeling for war with England at present in the United States, says there lies a real danger in the future. He attributes this partly to the personal character of the president or that quality of it "which his friends call firmness and his enemies stubborness."

The proposed meeting of the American society for the purpose of an expression of the people for an amicable has been abandoned in view of the im-

proved situation. The Order of Crusaders has forwarded through the Hon. Neal Dow, Mother Stewart and Miss Frances Willard, a New Year's greeting to the Temperance Workers of America, with Movement to Substitute the Popular hope that the war will now be
