Cough, one or two slight efforts on rising, occurring during the day and fre-quently during the night. Short breathing after exertion.

Tightness of the chest.
Quick pulse, especially noticeable in the evening and after a full meal.

Chilliness in the evening, followed by Slight foor.

Perspiration toward morning and

Pale face and languad in the morning.

Loss of vitality. If you have these symptoms, or any of them, do not delay. There are many preparations which claim to be cures, but Dr. Acker's English Remedy for Consumption has the highest endorsements, and has stood the test of years. It will arrest consumption in its earlier stages and drive away the symptoms named.
