Science is "knowing how.

The only secret about Scott's Emulsion is years of science. When made in large quantities and by improving methods, an emulsion must be more perfect than when made in the oldtime way with mortar and pestle a few ounces at a time. This is why Scott's Emulsion

> of cod-liver oil never separates, keeps sweet for years, and every spoonful is equal to every other spoonful.

In other emulsions you are liable to get an uneven benefit-either an over or under dose. Get Scott's. SCOTT'S EMULSION has been endorsed by the medical profession for twenty years. (Ask your doctor.)
