more to-be feared than other aches, certain." and that diphtheria, glanders and = typhoid must all yeild to the new remedy, the Roentgen rays The Highest Honors-World's Fair, various germs were grown in tubes in proper media. Magnetic means of force from the Crookes tubes were passed through them. Cholera was the easiest de troyed and appears to have been wiped out entirely. Diphtheria has been treated very tenderiv and favorably, but after eight days has failed to show the slightest signs of life. There has been no activity in the bacteria of the other diseases and, with certain modifications, the octors are now ready to announce that the ray, properly applied, will destroy any form of infectious or contagious germ.

FROM NORTH DOUGLAS.

Drain, Or. Apr. 25, '96. EDITOR LEADER-Many citizens of North Douglas are opposed to an appropriation of \$2.500 to help build a road from Oakland to the Bohemia 2:30-Song and Praise Service mines. It is rumored that Wm. Thiel has been hired to survey the route, and if feasible, the appropriation of \$2.500 is to be made. Many think the road will cost four times \$2,500. Do the people of Oakland think shippers will haul goods 36 miles further south over heavy grades, to accommodate that town? Let her get up a subscription paper and have Roseburg belp, as Oakland and Roseburg are the only towns that will be benefited. Douglas county's debt is now \$110,000 and 10am the people here hail the day when South Lane and North Douglas people cannot expect much improvement at the mouth of the Umpqua, on account of Roseburg being intibition of the finances of Lane coun- And then, Eugene's interest is 7:30-Music by the choir mately connected with Coos Bay. strongly in favor of the mouth of the home this morning, and I don't know what hair she is wearing to- know what hair she is wearing to- indebtedness of Lane county during Run the line between Yoncolla and
