HIS MOTHER.

For a cough or cold there is no remedy equal to Ammen's Cough Syrup.

When any druggist or dealer tries to sell you, or tells you that some other remedy is as good or better, when you ask for Ammen's Syrup, look him in the face, and you will see that God has stamped upon his countenance in unmistakable characters the word cupidity, and by investigation you will find he is recommending some deception of his own that costs him only a few cents to prepare, or some patent remedy upon which he makes a large profit. Ask for Ammen's Cough Syrup. Take no other. Buy a 15 cent or 50 cent bottle. Test it yourself. It stands upon its merits.
