Please Notice.

We are not responsible for the opinions and sentiments expressed by our contributors, but for our own writing alone. Hence our readers must judge for themselves. We intend to give space for the free expression of opinion, within the limits of sound discretion, and the good of the cause; but not be held as indorsing what others may write.

All matter intended for publication in this paper should be written:

1. On one side of the sheet only.
2. In a plain legible hand.
3. Let there be plenty of space between the lines.
4. Write with a pen instead of a pencil, so that it may not be defaced in transit.
5. Write brief articles.

When you send money for the paper, please be sure and state whether the name for which it is sent is now on our list or not.

Expect no attention to articles, notices, or queries not accompanied by your name.

If any subscriber fails to get the HERALD in due time, or fails to get it regularly, we will take it as a great favor if he will notify us at once. We are very anxious that the paper should reach every subscriber regularly.

The meetings are in progress at Dallas and on the Santiam in Linn county. The weather is unfavorable and will doubtless greatly reduce the attendance and destroy the interest to a great extent. We hope for better weather yet before the meetings close.

We have not heard any thing yet from the Linn county meeting now in progress; we will probably be able to give a full report next week.

The attendance at Dallas was quite large last Lord's day. Bro. Burnett preached the funeral of a little boy who had been accidentally killed, at eleven, and was followed by Bro. Hubbard in a lengthy discourse. Bro. Burnett preached again at 3 o'clock, and there was preaching again at 7:30 P. M. The meetings during the week are held at 11 A. M., 3 P. M. and 7:30 P. M., daily.

Special trains were run to the Dallas meeting last Sunday, from both directions, and went heavily loaded. Many were thus able to attend who could not have done so otherwise. Special trains will be run again next Sunday.

Brethren, and sisters too, if you can use extra copies of the HERALD to advantage during your meetings, in getting new subscribers, let us know and they will be promptly furnished.

The CHRISTIAN HERALD will be sent to all new subscribers from now till Jan. 1st next for one Dollar. Send in the names.

Expressions of gratification at the present form of the HERALD pour in from all sides. Brethren and friends, we are pleased to know that you appreciate our efforts to give you a good paper.

Be sure to send us a report of any religious movement of interest. Our readers all want to know about it.

We do not need the faith that would remove mountains these days, but we need the faith that will cause men to honor the religion of Jesus Christ by a godly life.

We would add just one thing to the excellent article by Bro. Srygley, given in another column, and that is, that preachers when traveling should carry with them a letter of commendation from the church to which they belong, and no preacher who is not so provided should be received by any church, unless he be known in person.

A Word from Arkansas.

We are few in numbers in this State, as disciples of Christ, but are very hopeful for the future. We are now trying to work up our prominent towns which have been neglected in the past. We expect to have a State camp-meeting in October at Little Rock.

New Tracts:

The first edition of 15,000 card tracts are all gone. Much good has been done with them, and I am anxious to print more. I am having electro type plates made which is cheapest in the end, and will insure more uniformity in the printing. The Type Foundry has delayed for several weeks, but I hope to have a new edition in two weeks. I have added two new tracts and the list now stands: Errors of the Anxious Seat, Names for God's Children, Salvation from Sin, Action of Baptism, and Design of Baptism.

I have forty-two dollars in cash on hand; the plates will cost fifteen dollars. This leaves only twenty-seven dollars to pay for the edition which will cost at least thirty-seven dollars. Who will supply the deficit?

These tracts are free to all who are not able to buy them but who will see that they are put to use. The prime object of *The Christian Sower Tract Fund* is the free circulation of tracts. We need such work as this. Will you cooperate?

If you do not feel able to contribute induce others to. If you would like to help by buying these tracts you can have them for fifty cents per hundred post paid. Do you know of a preacher who is going to preach in a new field? Supply him with tracts, they will greatly assist him.

I have yet on hand a number of Bro. Errett's tract, *Our Position*. Within the past five months nearly 900 have been given away and sold. Send in the names of prominent Sectarians together with five cents each and have a copy of this tract mailed to them.

Brethren, help me to build up this tract fund. Let the help come liberally, punctually and prayerfully.

We were pleased to receive a letter from Pres. J. C. Keith, College City, Cal., this week telling us of the prosperity of the College, and expressing his appreciation of the HERALD.

Personal.

—Bros. P. R. Burnett and S. M. Hubbard are engaged in the meeting at Dallas this week.

—Bros. Whitney, Roberts and Doty, we learn are conducting the Linn county meeting.

—Bro. J. P. McCorkle has been holding a protracted meeting at Ukiah, Cal.

—Bro. S. Sturges, a classmate of ours, now Sunday-school Superintendent and principal of one of the city schools, in San Francisco, is out recreating in the mountains.

—The following we take from the *Pacific Church News*: Eld. G. O. Burnett attended the Sunday-school convention at Napa. This faithful preacher of the Word, we are glad to say, is enjoying better health than he has for several years past. It was a great pleasure to us all to meet him in his declining years, and hear him once in defense of the Gospel.

—Bro. Henry Shadel, of Modesto, says the *News*, will soon reach the expiration of his present engagement there. If the church at Modesto don't continue him, keep him busy elsewhere. We hear his labors have been very satisfactory. Owing to failure of wheat crops in that region, they may not be able to continue him.

—Major Whittle and wife and Mr. McGranahan and wife started East, June 8th, after six months' labor as evangelists. They have been the means of waking up up churches and sinners, and we trust have done much lasting good.

—Bro. Sanburn writes from Williams, Colusa County, that Bro. J. Durham is in a protracted meeting there.

—Bro. John Cotes and Bro. G. D. Wright are doing a good work in Santa Barbara County and surrounding regions. They write there are a number of good points to start churches, with good prospect of a continued life and large usefulness. One of these points is San Luis Obispo.

—The cause is looking up in Oakland, Cal. We think the time has about come to make a forward move there. Bro. H. Hoyt is driving the Sunday-school interest, assisted by Dr. Julian Kendrick, and their school is constantly gaining. Bro. G. Kincaid leads them in the worship and breaking the loaf.
