

PILES! PILES! PILES!

A Sure Cure Found at Last.
No One Need Suffer!

A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments and electrocutions do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffberry of Cleveland says about Dr. William's Indian Pile Ointment: "I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment."

Hope writes the poetry of the boy, but memory that of the man. Man looks forward with smiles, but backward with sighs. Such is the wise providence of God. The cup of life is sweetest at the brim; the flavor is impaired as we drink deeper, and the dregs are made bitter that we may not struggle when it is taken from our lips.—Selected.

A good book, whether a novel or not, is one that leaves you farther on than when you took it up. If when you drop it, it drops you down in the same old spot, with no finer outlook, no cleared vision, no stimulated desires for that which is better and higher, it is in no sense a good book.—Anna Warner.

TWO WAYS.—There are two ways of carrying your religion into your business. Talking religion to the people whom you meet in your business hours is one way; dealing fairly, meeting all obligations promptly, treating those in your employment with kindness and courtesy, is another way. Some Christians may do good by the first method; no Christian can do any good who neglects the second.—S. S. Times.

Diseases of the pulmonary organs are so prevalent and fatal, that a safe and reliable remedy for them is invaluable to every community. AYER'S CHERRY PECTORAL is such a remedy, and no other so eminently merits the confidence of the public. It is a scientific combination of the medicinal principles and curative virtues of the most drugs, chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of AYER'S CHERRY PECTORAL are magical, and multitudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every household, for the protection it affords in sudden attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which AYER'S CHERRY PECTORAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the country, knowing its composition, recommend AYER'S CHERRY PECTORAL to invalids, and prescribe it in their practice. The test of half a century has proved its absolute certainty to cure all pulmonary complaints not already beyond the reach of human aid.
