No "Affinities" in Vice.

It is idle to talk of the vices as a sisterhood. There may be association, but no affiliation. Knaves may be companions, but not friends. The vain dislike the vain; the proud hate the proud; the covetous hate the covetous; but the virtuous are never at war. The just love the just; the chaste esteem the chaste; the benevolent admire the benevolent; in short, all good things harmonize; all bad things are discordant, both with the good and with each other.—*Sel.*

A Cough, Cold or Sore Throat

Should be stopped. Neglect frequently results in an **Incurable Lung Disease or Consumption. BROWN'S BRONCHIAL TROCHES** does not disorder the stomach like cough syrups and balsams, but **act directly on the inflamed parts**, allaying irritation, give relief in **Asthma, Bronchitis, Coughs, Catarrh**, and the **Throat Troub'es** which **Singers and Public Speakers** are subject to. For thirty years Brown's Bronchial Troches have been recommended by physicians, and have always given perfect satisfaction. Having been tested by wide and constant use for nearly an entire generation, they have attained well-merited rank among the few staple remedies of the age. Sold at 25 cents a box everywhere. 12-1-1y.

Philosophy has sometimes forgotten God as a great people never did. The skepticism of the last century did not uproot Christianity, because it lived in the hearts of millions. Do you think that infidelity is spreading? Christianity never lived in the hearts of so many millions as at this moment.—*Bancroft.*

You never get to the end of Christ's words. There is something in them always behind. They pass into proverbs, they pass into laws, they pass into doctrines, they pass into consolations; but they never pass away, and after all the use that is made of them, they are still not exhausted.—*Dean Stanley.*

GREEN'S "LIFE OF GARFIELD."

The publishers are glad to announce that this long-expected work by F. M. Green is now ready. The publishers believe that in many of its features this "Life of Garfield" is superior to any similar work published. Its author was well acquainted with Mr. Garfield for nearly twenty-eight years—a time covering the entire period of his public life. He writes, therefore, from the standpoint of one who knew him as student, educator, teacher, soldier, statesman, and Christian. There are eighteen chapters. These chapters discuss in logical order the various phases of the royal life which they represent. The following are the titles of the successive chapters:

The Western Reserve.—The Foundation.—Birth and Boyhood.—The Period of Change.—The Canal and the Sea.—The Young Student.—The Hiram Teacher and Principal.—True Manhood.—Home and Family Life—The Brightness of his Rising—A Chapter Thrown In.—From Sun-Rising until Noon.—The Pillar of a People's Hope.—The Shot that was Heard Round the World.—From Elberon to the Grave.—The World's Sympathy and Sorrow.—The Present Estimate and the Final Conclusion.—A Tribute of Friendship.

While these chapters present the history in logical outline, yet each chapter is complete in itself. For instance, the student life of Garfield is discussed in one chapter, and not in parts of several chapters. So of his educational life and work. So of his religious faith and standing, etc., etc.
