Some one has said in regard to children that either the will has to be broken in youth or the heart in old age.—Messenger.

"By asking too much we may lose the little that we had before." Kidney-Wort asks nothing but a fair trial. This given, it fears no loss of faith in its virtues. A lady writes from Oregon: "For thirty years I have been afflicted with kidney complaints. Two packages of Kidney-Wort have done me more good than all the medicine and doctors I have had before. I believe it is a sure cure."

The great motive power of the Christian religion is the grace that is in Jesus Christ. The reason of the failure of other religions to uplift humanity is that they have no moral force to bestow on their adherents.

Quick, complete cure, all annoying Kidney, Bladder and Urinary Diseases. S. L. Druggists.

Morality without religion is only a kind of dead-reckoning,—an endeavor to find our place on a cloudy sea by measuring the distance we have run, but without any observation of the heavenly bodies.—Longfellow.

Ayer's Ague Cure

Is a purely vegetable bitter and powerful tonic, and is warranted a speedy and certain cure for Fever and Ague, Chills and Fever, Intermittent or Chill Fever, Remittent Fever, Duinb Ague, Periodical or Bilious Fever, and all malarial disorders. In miasmatic districts, the rapid pulse, coated tongue, thirst, lassitude, loss of appetite, pain in the back and loins, and coldness of the spine and extremities, are only premonitions of severer symptoms which terminate in the ague paroxysm, succeeded by high fever and profuse perspiration.

It is a startling fact, that quinine, arsenic, and other poisonous minerals form the basis of most of the "Fever and Ague Preparations," "Specifics," "Syrups," and "Tonics," in the market. The preparations made from these mineral poisons, although they are palatable, and may break the chill, do not cure, but leave the malarial and their own drug poison in the system, producing quinsim, dizziness, ringing in the ears, headache, vertigo, and other disorders more formidable than the disease they were intended to cure. AYER'S AGUE CURE thoroughly eradicates these noxious poisons from the system, and always cures the severest cases. It contains no quinine, mineral, or any thing that could injure the most delicate patient; and its crowning excellence, above its certainty to cure, is that it leaves the system as free from disease as before the attack.

For Liver Complaints, AYER'S AGUE CURE, by direct action on the liver and biliary apparatus, drives out the poisons which produce these complaints, and stimulates the system to a vigorous, healthy condition.

We warrant it when taken according to directions.
