

The longest line of fence in the world will be the wire fence extending from Indian Territory west across the Texas Panhandle, and thirty-five miles into New Mexico. We are informed that eighty-five miles of this fence is already under contract. Its course will be in the line of the Canadian river, and its purpose is to stop the drift of the northern cattle. It is a bold splendid enterprise and will pay a large percentage on the investment. The fence will be over two hundred miles long.

PILES! PILES! PILES!

A Sure Cure Found at Last. No One Need Suffer!

A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William (an Indian Remedy) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, ointments and electuaries do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice, gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffberry of Cleveland says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.

"A coward can be a hero at a distance; presence of danger tests presence of mind." Presence of disease tests the value of a curative. Kidney-Wort challenges this test always and everywhere, so far as all complaints of the bowels, liver and kidneys are concerned. It cures all, nor asks any odds.

There is many a thing that the world calls disappointment; but there is no such word in the dictionary of faith. What to others are disappointments are to believers intimations of the will of God.—Newton.
