A NOTED BUT UNTITLED WOMAN. [From the Boston Globe.]

Messrs. Editors:—The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman,"

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach.

It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole ambition is to do good to others. Philadelphia, Pa. Mrs. A. M. D.

GREEN'S "LIFE OF GARFIELD."

The publishers are glad to announce that this long-expected work by F. M. Green is now ready. The publishers believe that in many of its features this "Life of Garfield" is superior to any similar work published.

The Western Reserve.—The Foundation.—Birth and Boyhood.—The Period of Change.—The Canal and the Sea.—The Young Student.—The Hiram Teacher and Principal.—True Manhood.—Home and Family Life.—The Brightness of his Rising.—A Chapter Thrown In.—From Sun-Rising until Noon.—The Pillar of a People's Hope.—The Shot that was Heard Round the World.—From Elberon to the Grave.—The World's Sympathy and Sorrow.—The Present Estimate and the Final Conclusion.—A Tribute of Friendship.

While these chapters present the history in logical outline, yet each chapter is complete in itself. For instance, the student life of Garfield is discussed in one chapter, and not in parts of several chapters. So of his educational life and work. So of his religious faith and standing, etc., etc.
