PILES! PILES! PILES!

A Sure Cure Found at Last. No One Need Suffer!

A sure Cure for Blind, Bleeding, Itching and Ulcerated Piles has been discovered by Dr. William, (an Indian Remedy) called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of 25 or 30 years standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions instruments and electuaries do more harm than good. William's Ointment absorbs the tumors, allays the intense itching, (particularly at night after getting warm in bed,) acts as a poultice gives instant relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffberry of Cleveland says about Dr. William's Indian Pile Ointment: I have used scores of Pile Cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment.

PIERCE CHRISTIAN COLLEGE

—FOR—
MALES AND FEMALES.

THE NEXT SESSION OF THIS PROSPEROUS AND GROWING INSTITUTION WILL open on MONDAY, September 4, 1882, and close on THURSDAY, April 26, 1883.

OBJECTS.

This College was founded in 1874, for the co-education of both sexes, upon equal conditions of entrance and graduation, and has had a healthy and steady growth from the beginning. Our aim is to give a good, solid education in the various branches of a College course, upon a Christian basis, and thus to prepare students for the practical and beautiful pursuits of life, and for honorable citizenship.

LOCATION.

The College Buildings, consisting of two substantial brick edifices, stand upon a campus of ten acres in the pleasant village of College City, in the southern part of Colusa County. The town is pleasantly located in a beautiful, retired and healthful spot, in the midst of a moral, cultivated and enterprising community, and is easily accessible from any direction. It is three miles east of Arbuckle, a town on the Northern Railway, with which it is connected by a daily stage-line. The scenery around is inspiring. To the north rise the stately form of Mount Shasta, the snowy peaks of Lassen, and the picturesque Buttes; on the east wind the blue waters of the Sacramento, and stretch away in the distance the pine-clad walls and snowy domes of the Sierras; while on the west lie Snow Mountain and the purple hills of the Coast Range.

COURSE OF STUDY.

Two complete Courses of Study, the Classical and the Scientific, have been arranged, embracing together Mathematics, Ancient and Modern Languages, English, Science, Art, Music, Bible, Book-keeping, Theory and Practice of Teaching, History, etc., and students, by the advice and consent of the Faculty, can pursue those studies shown to be most advantageous to them. After the close of the regular Session, a Normal class will be formed and taught by two of the Professors for the benefit of those who desire to pass examination before some County Board for Teachers' certificates.

INDUCEMENTS.

- To those who have sons, daughters or wards to educate, we can offer rare advantages and strong inducements to send to this School, viz.:
1. A quiet and orderly College Town, with no Saloon, Drinking-place or Gambling-house within three miles of the buildings. Your sons are here free from these temptations to crime.
 2. An able, experienced and enthusiastic Faculty.
 3. Complete Course of Study, with thorough instruction.
 4. The advantage of Normal training.
 5. Low Rates of Tuition and Moderate Expenses. Our charges are lower than those of any other School of like grade on the Coast, and young men and women who have to educate themselves, will here find rare opportunities to carry out their noble purposes.
