

Saloon Patronage Solicited.

Wishing to get a living without working hard, I have leased commodious rooms in Mr. Lovemoney block, on Main street, where I shall manufacture drunkards, paupers, lunatics, beggars, criminals, and dead beats for sober and industrious men to support.

Sunday customers will please enter at the back door.

Boys are the raw material of which I make drunkards, etc.

At two hours notice I will be able to put husbands in a condition to reel home, break the furniture, beat their wives, and kick their children out of doors, as was demonstrated last Saturday night.

If one of my customers should decide to reform, I will for a few pennies, with pleasure, induce him to take just one glass more, or by offering "free drinks," tempt him to start on the road to hell.

The money he would spend for bread and other things for his family will buy luxuries for mine. And then when his money is gone, I will kick him out at the door.

Orders promptly filled for fever, scrofula, consumption, or delirium tremens.

In short, I will do my best to help bring upon my regular customers debt, disgrace, disease, despair, and death, in this world, and in the next, the pangs of the second death.

The above may also be obtained of two or three other friends in town, if you can find the way into their back rooms.

Having closed my eyes to God's warning voice, having made a league with hell and sold myself to the work of iniquity, I am determined to bring all the above evils upon my friends and neighbors for

the sake of gain! Some have suggested that I display outside the door specimens of my art, but that would blockade the street and my business might be interfered with as a nuisance.

A Common-Sense Remedy. SALICYLICA. No More Rheumatism, Gout or Neuralgia. Immediate Relief Warranted. Permanent Cure Guaranteed.

Five years established and never known to fail in a single case, acute or chronic. Refer to all prominent physicians and druggists for the standing of Salicylica.

SECRET. The only dissolver of the poisonous uric acid which exists in the blood of rheumatic and gouty patients.

Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, liniments, and soothing lotions, will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid.

Salicylica works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe.

REMEMBER!

that Salicylica is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly. Give it a trial. Relief guaranteed or money refunded.

Thousands of testimonials sent on application.

\$1 a Box. 6 Boxes for \$5. Sent free by mail on receipt of money.

Ask your Druggist for it.

But do not be deluded into taking imitations or substitutes, or something recommended as "just as good!" Insist on the genuine with the name Washburne & Co., on each box, which is guaranteed chemically pure under our signature.
