

A word of kindness is seldom spoken in vain. It is a seed which, even when dropped by chance, springs up a flower.

**Forty Year's Experience of an Old Nurse.**

Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for forty years with never failing success by millions of mothers for their children. It relieves the child from pain, cures dysentery and diarrhoea, griping in the bowels, and wind-colic. By giving health to the child it rests the mother. Price twenty-five cents a bottle.

We swallow at one mouthful the lie that flatters, and drink drop by drop the truth that is bitter.

Graceful manners are the outward form of refinement in the mind and good affections of the heart.

"No eye like the master's eye." Had Aescop lived in our day he might well have added, "No popular curative like Kidney-Wort." All eyes are beginning to turn to it for relief from diseases of the liver, bowels and kidneys. Kidney Wort is nature's remedy for them all. Those that cannot prepare the dry can now procure it in liquid form of any druggist.

**A NOTED BUT UNTITLED WOMAN.**  
(From the Boston Globe.)

Messrs. Editors— The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1. per bottle or six for \$5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

Philadelphia, Pa. Mrs. A. M. D.

**PIERCE CHRISTIAN COLLEGE**  
—FOR—  
**MALES AND FEMALES.**

THE NEXT SESSION OF THIS PROSPEROUS AND GROWING INSTITUTION WILL open on MONDAY, September 4, 1882, and close on THURSDAY, April 26, 1883.

**OBJECTS.**

This College was founded in 1874, for the co-education of both sexes, upon equal conditions of entrance and graduation, and has had a healthy and steady growth from the beginning. Our aim is to give a good, solid education in the various branches of a college course, upon a Christian basis, and thus to prepare students for the practical and beautiful pursuits of life, and for honorable citizenship.

**LOCATION.**

The College Buildings, consisting of two substantial brick edifices, stand upon a campus of ten acres in the pleasant village of College City, in the southern part of Colusa County. The town is pleasantly located in a beautiful, retired and healthful spot, in the midst of a moral, cultivated and enterprising community, and is easily accessible from any direction. It is three miles east of Arbuckle, a town on the Northern Railway, with which it is connected by a daily stage-line. The scenery around is inspiring. To the north rise the stately form of Mount Shasta, the snowy peaks of Lassen, and the picturesque Buttes; on the east wind the blue waters of the Sacramento, and stretch away in the distance the pine-clad walls and snowy domes of the Sierras; while on the west lie Snow Mountain and the purple hills of the Coast Range.

**COURSE OF STUDY.**

Two complete Courses of Study, the Classical and the Scientific, have been arranged, embracing together Mathematics, Ancient and Modern Languages, English, Science, Art, Music, Bible, Book-keeping, Theory and Practice of Teaching, History, etc., and students, by the advice and consent of the Faculty, can pursue those studies shown to be most advantageous to them. After the close of the regular Session, a Normal class will be formed and taught by two of the Professors for the benefit of those who desire to pass examination before some County Board for Teachers' certificates.

**INDUCEMENTS.**

To those who have sons, daughters or wards to educate, we can offer rare advantages and strong inducements to send to this School, viz.:

1. A quiet and orderly College Town, with no Saloon, Drinking-place or Gambling-house within three miles of the buildings. Your sons are here free from these temptations to crime.
2. An able, experienced and enthusiastic Faculty.
3. Complete Course of Study, with thorough instruction.
4. The advantage of Normal training.
5. Low Rates of Tuition and Moderate Expenses. Our charges are lower than those of any other School of like grade on the Coast, and young men and women who have to educate themselves, will here find rare opportunities to carry out their noble purposes.
