THE INDEPENDENT.

THE INDEPENDENT needs only to be better known to add to its already large list of friends. It has been published for thirty-five years and has acquired a world-wide reputation as the religious and literary newspaper.

THE INDEPENDENT is not denominational. Its creed and field are broader than any sect. As a Christian journal, its aim is to strengthen and extend Evangelical religion and to defend it against the attacks of Materialism, Atheism, and unbelief. It is free to approve or criticize in any of the denominations whether it believes is designed to advance or hinder the progress of the Gospel of Christ.

In civil and political affairs THE INDEPENDENT will contend for sound ideas and principles. It fought against slavery and the iniquitous system of the Opium Community. It is now fighting against Mormonism. It believes in the reform of the civil service and tariff, in the purification of politics and in cheaper postage, and will maintain those principles which the highest ethics and best intelligence require.

THE INDEPENDENT is designed to suit all tastes and wants. We provide weekly stories by the best magazine writers, poems by the leading poets of America (Tennyson's last poem), and for others, who look especially for instruction, whether in religious, literary, educational, philosophical, or scientific articles, we furnish what no other periodical does or can. We pay large prices to obtain the most eminent writers. Besides the editorials, there are twenty-two distinct departments, edited by twenty-two specialists, which include Biblical Research, Sanitary, Legal Fine Arts, Music, Science, Fables, Personalities Ministerial Register, Hymn Notes, School and College, Literature, Religious Intelligence, Missions, Sunday-school, News of the Week, Finance, Commerce, Insurance, Puzzles, Selections, and Agriculture. 32 Pages in all.

We will report in full Rev. Joseph Cook's celebrated Boston Monday Lectures, which will begin in January. Mr. Cook has just returned from a two years' trip round the world, and his lectures this Winter will attract greater attention than ever.

PIERCE CHRISTIAN COLLEGE

—FOR—

MALES AND FEMALES.

THE NEXT SESSION OF THIS PROSPEROUS AND GROWING INSTITUTION WILL open on MONDAY, September 4, 1882, and close on THURSDAY, April 26, 1883.

OBJECTS.

This College was founded in 1874, for the co-education of both sexes, upon equal conditions of entrance and graduation, and has had a healthy and steady growth from the beginning. Our aim is to give a good, solid education in the various branches of a College course, upon a Christian basis, and thus to prepare students for the practical and beautiful pursuits of life, and for honorable citizenship.

LOCATION.

The College Buildings, consisting of two substantial brick edifices, stand upon a campus of ten acres in the pleasant village of College City, in the southern part of Colusa County. The town is pleasantly located in a beautiful, retired and healthful spot, in the midst of a moral, cultivated and enterprising community, and is easily accessible from any direction. It is three miles east of Arbuttle, a town on the Northern Railway, with which it is connected by a daily stage-line. The scenery around is inspiring. To the north rise the stately form of Mount Shasta, the snowy peaks of Lassen, and the picturesque Buttes; on the east wind the blue waters of the Sacramento, and stretch away in the distance the pine-clad walls and snowy domes of the Sierras; while on the west lie Snow Mountain and the purple hills of the Coast Range.

COURSE OF STUDY.

Two complete Courses of Study, the Classical and the Scientific, have been arranged, embracing together Mathematics, Ancient and Modern Languages, English, Science, Art, Music, Bible, Book-keeping, Theory and Practice of Teaching, History, etc., and students, by the advice and consent of the Faculty, can pursue those studies shown to be most advantageous to them. After the close of the regular Session, a Normal class will be formed and taught by two of the Professors for the benefit of those who desire to pass examination before some County Board for Teachers' certificates.

INDUCEMENTS.

To those who have sons, daughters or wards to educate, we can offer rare advantages and strong inducements to send to this School, viz.:

1. A quiet and orderly College Town, with no Saloon, Drinking-place or Gambling-house within three miles of the buildings. Your sons are here free from these temptations to crime.
2. An able, experienced and enthusiastic Faculty.
3. Complete Course of Study, with thorough instruction.
4. The advantage of Normal training.
5. Low Rates of Tuition and Moderate Expenses. Our charges are lower than those of any other School of like grade on the Coast, and young men and women who have to educate themselves, will here find rare opportunities to carry out their noble purposes.
