Obituary.

Sister Addie Snelling died at McMinnville, Or., Feb. 27, 1883, after an illness of only four days. Had she lived to the first day of March she would have been 21 years of age.

Addie had lived many years the life of a Christian, and was a member of the church at McMinnville. She always took a great interest in all the services of the church, being ever faithful in attendance at the prayer meeting, the Sunday-school and the Lord's day meetings, and giving her aid always in every way she could, especially in the service of song with which she was peculiarly gifted.

While we mourn the loss of a loved one, and while she will be greatly missed by all who knew her in the prayer meeting, in the Sunday-school, in the church and in the community where the charm of her presence was felt, yet we can rejoice that Addie has gone home to God, and now lives in a brighter better world.

"When the earthly sky is fading, Is the time of going home; Should we fear when scenes are changing? It is only going home.

Jesus went the way before us, We are only going home; Soon we'll meet the friends that love us, We are only going home."

It Has Worked Wonders.

A lady writing from Racine, Wis., makes this gratifying report: "We finished taking our second supply of Compound Oxygen last month; it has worked wonders for my mother. When she began treating with the Oxygen she was extremely low and prostrate in her bed with a variety of complaints. I had no hope of her recovery. She is now able to go about the house and do many pieces of work, and is a continual testimony before me of the wonderful power of Compound Oxygen." Our treatise on Compound Oxygen, containing large reports of cases and full information, sent free. Address Drs. STARKEY & PALEN, 1109 and 1111 Girard Street, Philadelphia, Pa.

All orders for the Compound Oxygen Home Treatment directed to H. E. Mathews, 606 Montgomery Street, San Francisco, will be filled on the same terms as if sent directly to us in Philadelphia.
