

Long ere the Lord calls the pious man to heaven, the pious man has brought heaven down to earth in himself.—Ebers.

For a cough or cold there is no remedy equal to Ammen's Cough Syrup.

Ammen's Cough Syrup is not a patent medicine. No patent has been asked for or obtained upon it. To protect the public from counterfeits and imitations the manufacturer has had the label registered in Washington. The Syrup is made from pure and costly drugs, and cannot be sold as cheap to the dealer as the common patent medicines medicines that are simply made to sell, which explains why dishonorable druggists or dealers try to sell you something else when asked for Ammen's Cough Syrup. It is upon the market upon its own merits. You can buy a sample bottle for 15 cents, upon which at the wholesale price, the manufacturer makes nothing. Ask to see a large bottle, and read the label.

There are more people who can forget themselves than govern themselves.—Ruskin.

The wonders of modern chemistry are apparent in beautiful Diamond Dyes. All kinds and colors of ink can be made from them.

Self-denial is the sacrifice which virtue must make.

"He who is ready to buy up his remedies will never want a supply of them." It is cheaper to buy a true friend in Kidney-Wort who will drive away those miserable enemies, a torpid liver, constipation, diabetes, piles, diseased kidneys and bowels. This remedy is now prepared in liquid as well as in dry form.

Character is higher than intellect. A great soul will be strong to live, as well as strong to think.—Emerson.

For the delicate and complicated difficulties peculiar to women, Lydia E. Pinkham's Vegetable Compound is the sovereign remedy.

Choose for your friend him that is wise and good, and secret and just, ingenious and honest, and in those things which have a latitude use your own liberty.

Fell Against A Sharp Edge.

This is furnished by Mr. Wm. Wil, 1613 Frankford Ave., Philadelphia, Pa.: Some time since I received a severe injury to my back, by falling against the sharp edge of a marble step, the stone penetrating it at least a half-inch, and leaving a very painful wound. After suffering for some time, I concluded to apply St. Jacobs Oil, and am pleased to say that the results exceeded my expectations. It speedily allayed all pain and swelling and by continued use, made a perfect cure. I really think it the most efficacious liniment I ever used.—Rockford (Ill.) Resister.

God gives effectual relief in the best way, though not in our own way.—Henry.

PIERCE CHRISTIAN COLLEGE FOR MALES AND FEMALES.

THE NEXT SESSION OF THIS PROSPEROUS AND GROWING INSTITUTION WILL open on MONDAY, September 4, 1882, and close on THURSDAY, April 26, 1883.

OBJECTS. This College was founded in 1874, for the co-education of both sexes, upon equal conditions of entrance and graduation, and has had a healthy and steady growth from the beginning. Our aim is to give a good, solid education in the various branches of a College course, upon a Christian basis, and thus to prepare students for the practical and beautiful pursuits of life, and for honorable citizenship.

LOCATION. The College Buildings, consisting of two substantial brick edifices, stand upon a campus of ten acres in the pleasant village of College City, in the southern part of Colusa County. The town is pleasantly located in a beautiful, retired and healthful spot, in the midst of a moral, cultivated and enterprising community, and is easily accessible from any direction. It is three miles east of Arbuttle, a town on the Northern Railway, with which it is connected by a daily stage-line. The scenery around is inspiring. To the north rise the stately form of Mount Shasta, the snowy peaks of Lassen, and the picturesque Buttes; on the east wind the blue waters of the Sacramento, and stretch away in the distance the pine-clad walls and snowy domes of the Sierras; while on the west lie Snow Mountain and the purple hills of the Coast Range.

COURSE OF STUDY. Two complete Courses of Study, the Classical and the Scientific, have been arranged, embracing together Mathematics, Ancient and Modern Languages, English, Science, Art, Music, Bible, Book-keeping, Theory and Practice of Teaching, History, etc., and students, by the advice and consent of the Faculty, can pursue those studies shown to be most advantageous to them. After the close of the regular Session, a Normal class will be formed and taught by two of the Professors for the benefit of those who desire to pass examination before some County Board for Teachers' certificates.

INDUCEMENTS. To those who have sons, daughters or wards to educate, we can offer rare advantages and strong inducements to send to this School, viz.: 1. A quiet and orderly College Town, with no Saloon, Drinking-place or Gambling-house within three miles of the buildings. Your sons are here free from these temptations to crime. 2. An able, experienced and enthusiastic Faculty. 3. Complete Course of Study, with thorough instruction. 4. The advantage of Normal training. 5. Low Rates of Tuition and Moderate Expenses. Our charges are lower than those of any other School of like grade on the Coast, and young men and women who have to educate themselves, will here find rare opportunities to carry out their noble purposes.

Table with columns for Tuition, Instrumental Music, Use of Instrument, Vocalization, Drawing and Painting, Modern Languages, Board, and Expenses. Includes a list of expenses and a note about tuition payment.
