

BOOK TABLE.

[Under this head we will be pleased to give editorial reviews of all books and tracts of interest that may be sent to this office.]

The *North American Review* for June is to contain a spirited discussion of the "Moral Influence of the Drama," by Rev. Dr. Buckley, the well-known opponent of the stage; John Gilbert, the actor; A. M. Palmer, the theatrical manager, and William Winter, the dramatic critic.

SUCCESSFUL MEN OF TO-DAY. WHAT THEY SAY OF SUCCESS, by Wilbur F. Crafts.—1. This work is based on facts and incidents gathered from five hundred of the most prominent men in the United States in regard to their own boyhood: as to whether they were brought up in the country or in a city; whether they were early trained to work; what mottoes have influenced them; at what age they went into business; whether they used tobacco in boyhood, etc.; and also their opinions as to the secrets of success. The replies have been gathered by a printed circular and by personal interviews, from ex-vice-Presidents, Secretaries of the Treasury, Congressmen, Generals, Governors, Mayors, College Presidents, Professors, Judges, Lawyers, Doctors, Editors, Publishers, Manufacturers, Merchants, and many others. The facts while interesting to the general public, are of special value to young men in business, or in institutions of learning, to Young Men's Christian Associations, to parents and to boys. 2. This will comprise 264 12mo pages, 20 engravings, and although containing more material than a dollar book, it will be published in "The Standard Library." 3. Prices and Styles: Regular "Standard Library," paper, 25 cents; same in cloth, 50 cents; extra heavy paper and fine cloth bindings, \$1.00. Subscription price for the 1883 Series, 26 volumes of this Library, paper, \$5.00. Send for descriptive circular of the Library. Funk & Wagnalls, 10 & 12 Dey St., New York.

BIRTHS.

Born, on May 10, 1883, to the wife of H. S. Hanna, The Dalles, a son. That is right, Bro. Hanna, obey the injunction of the Scriptures, to multiply and replenish the earth.

Born, near Monmouth, May 15, 1883, to the wife of H. D. Whitman, a nine and a half pound daughter.

Don't think he will have to hire a girl much longer, as this is the third girl.

OBITUARY.

On the 14th of this month we were called upon to assist in laying away in the grave all that was earthy of little Tommie Wright, aged eight years, son of Bro. and Sister Wm. Wright.

Tommie was a good boy and his loss is deeply felt by his parents. But they have much to hope for in the happy meeting above. Tommie was never too tired or too sleepy to pray before sleeping at night, and when the father was absent always returned thanks at the

table.

Dr. Pond says: "I love to think of my little children whom God has called to himself, as away at school—at the best school in the universe, under the best teachers, learning the best things in the best possible way."

J. W. SPRIGGS.

Salem, Or., May 19, 1883.

Died, at Seattle, May 6, 1883, oldest child of Mrs. F. and J. B. Duncan, aged, 18 months and 20 days.

Little Earl was a bright little boy, loved by all that knew him. He bore his suffering with much patience and passed away without a struggle. He was beautiful in life, yea, beautiful in death as the blossoms that lay in his little hands, an emblem of his purity. The bereaved parents, Bro. and Sister Duncan, have the sympathy of the entire community.

"GOT OUR MONEY'S WORTH."

This is the opinion of a gentleman in Islesborough, O., after a trial of Compound Oxygen in the case of his wife: "Her appetite is much better—can sleep much better—no frightful dreams such as she had before using the Oxygen—is much stronger—does all her work in the house and considerable outdoors—moves about the house as nimble as a girl of fifteen years. In short, she is better all over, and I think we have got our money's worth. I shall always speak in favor of the Oxygen to my neighbors. Accept our thanks for the good health my wife enjoys." Our Treatise on Compound Oxygen, its nature, action, and results, with reports of cases, and full information, sent free. Drs. STARKEY & PALEN, 1105 & 1111 Girard Street, Philadelphia, Pa.

All orders for the Compound Oxygen Home Treatment directed to H. E. Mathews, 606 Montgomery Street, San Francisco, will be filled on the same terms as if sent directly to us in Philadelphia.

Ask the same physicians:

What is the most reliable and surest cure for all liver diseases or dyspepsia, constipation, indigestion, biliousness, malarial fever, ague, etc., and they will tell you:
