Consumption in its early stages is readily cured by the use of Dr. Pierce's "Golden Medical Discovery," though, if the lungs are affected no medicine will effect a cure. No known remedy posseses such soothing and healing influence over all serofulous, tuberoulous and pulmonary affections as the "Discovery." John Willis, of Elyria, Ohio, writes: "The 'Golden Medical Discovery' does positively cure con sumption, as, af er trying every other medicine in vain, this succeeded." Mr Z. T. Phelps, of Cuthbert, Ga., writes: "The 'Golden Medical Discovery' has cured my wife of bronchitis and incipitent consumption. Sold by druggists.

What the impulse of genius is to the great, the instinct of vocation is to the mediocre; in every man there is a magnet—in that thing which the man can best do, there is a loadstone.

Ammen's Cough Syrup cures colds, coughs, bronchitis and consumption.

It is the providence of ministers to do good, therefore we think every minister should inform himself in regard to Ammen's Cough Syrup, and after being satisfied that it is all that is claimed for it, recommend it; thus lives can be saved and then taught how to save their souls. We are told that the proprietor is always willing to give a bottle free to any minister of family who wishes it to try.

A NOTED BUT UNTITLED WOMAN. [From the Boston Globe.]

Messrs, Editors :-

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhesa, firegular and painful Menstruation all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1, per bottle or six for \$5., and is sold by druggists. Any advice required as to special eases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Billousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and bids fair equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others, Philadelphia, Pa.
