COLLINGWOOD, ONT., CANADA,
May 10, 1883.

Brethren in Christ:

We appeal to you for pecuniary aid. Having used our best endeavors we are still owing over \$900 on our Church building. We are weak numerically and possess little of this world's goods, we therefore hope to receive assistance from you.

Remittances may be sent to any of the undersigned.

Yours fraternally,

J. M. HILL, } Elders.

M. R. HAMMOND,
Minister.

Advertising Cheats!!!

"It has become so common to write the beginning of an article in an elegant, interesting manner,

"Then run it into some advertisement that we avoid all such,

"And simply call attention to the merits of Hop Bitters in as plain, honest terms as possible,

"To induce people

"To give them one trial, which so proves their value, that they will never use any thing else."

"THE REMEDY so favorably noticed in all the papers,

"Religious and secular, is

"Having a large sale, and is supplanting all other medicines.

"There is no denying the virtues of the Hop plant, and the proprietors of Hop Bitters have shown great shrewdness

"And ability

"In compounding a medicine whose virtues are so palpable to every one's observation.

Did She Die?

"No!

"She lingered and suffered along pining away all the time for years,

"The doctors doing her no good;

"And at last was cured by this Hop Bitters the papers say so much about.

"Indeed! Indeed!

"How thankful we should be for that medicine."

A Daughter's Misery.

"Eleven years our daughter suffered on a bed of misery.

"From a complication of kidney, liver, rheumatic trouble and Nervous debility,

"Under the care of the best physicians,

"Who gave her disease various names,

"But no relief,

"And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it."—THE PARENTS.

Father is Getting Well.

"My daughters say:

"How much better father is since he used Hop Bitters."

"He is getting well after his long suffering from a disease declared incurable.

"And we are so glad that he used your Bitters."

A LADY OF Utica, N. Y.

A New Departure.

Owing to the unprecedented success attending the sale of Dr. Scott's renowned \$3.00 Corset, and a very general inquiry for Electric Corsets of less price, but possessing the same therapeutic quality and elegance of shape, the Doctor has decided to place upon the market a full line of these beautiful and invaluable articles, which will now retail at \$1.00, \$1.50, \$2.00 and \$3.00; thus bringing them within the reach of all. These Corsets, we are assured, possess real merit, and apart from their "Electric" quality, are well worth the prices asked. A great feature about them is that they prevent as well as cure disease, therefore all ladies, even those enjoying good health, should wear them. The Doctor's record is good, and you may be sure of getting good value of your money. We invite you to read his large Corset advertisement in this issue, and address him at 842 Broadway, New York.

Yours for Health

1883 NEW PRICES! 1883

Dr. Scott's Electric Corset

\$1, \$1.50, \$2, \$3.

Owing to the unprecedented success attending the sale of our \$3 Electric Corset, and the constant demand for Electric Corsets of less price, but of the same therapeutic value, we have decided to place upon the market a HANDSOME LINE OF ELECTRIC CORSETS, ranging in price from \$1 to \$3, thus bringing them within the reach of all. They are equally charged with Electro-Magnetism, the difference being only in the quality of material. The two higher grades are made of extra fine English Satene, while those of lesser price are of correspondingly good quality, made on the latest approved Parisian models, thus imparting a graceful and attractive figure to the wearer. By a recently invented process of boning or cording, we are enabled to offer to the public an ABSOLUTELY UNBREAKABLE Corset, and will guarantee them as such with all ordinary wear.

Being "Electric," "Unbreakable," the true French shape, and of better material than those ordinarily sold at the prices, these Corsets will command the preference of the purchaser. They are constructed on scientific principles, generating an exhilarating, health-giving current to the whole system. Their therapeutic value is unquestioned, and they quickly cure, in a marvelous manner, Nervous Complaints, Spinal Difficulties, Rheumatism, Paralysis, Numbness, Dyspepsia, Liver and Kidney troubles, Impaired Circulation, Constipation, and all other diseases peculiar to women, particularly those of sedentary habits. They also become, when constantly worn, equalizing agents in all cases of extreme fatness or leanness, by imparting to the system the required amount of "odic force" which Nature's law demands. Scientists are daily making known to the world the indisputable beneficial effects of Electro-Magnetism, when properly and scientifically applied to the human body in this manner; and it is also affirmed by professional men that there is hardly a disease which Electricity and Magnetism will not benefit or cure, and all medical men daily practice the same. Ask your own physician!

DR. W. A. HAMMOND, of New York, Late Surgeon-General of the U. S., an eminent authority, publishes almost miraculous cures coming under his notice. Always doing good, never harm, there is no shock or sensation felt in wearing them. Those enjoying good health should also wear them, as they prevent as well as cure disease. The ordinary Electric Battery, when resorted to in similar cases to those above mentioned, is often too powerful and exciting, doing good during the operation, but leaving the patient more exhausted and weakened than before; whereas, by daily (and nightly, too, if desired), wearing our Electric Corset as ordinary corsets are usually worn; a gentle and exhilarating influence is lastingly and agreeably perceptible, quickly accomplishing that good for which they are worn. They will never harm even in the most sensitive cases. Ladies who have once tried them say they will WEAR NO OTHERS. The prices are as follows: \$1, \$1.50, \$2, and \$3. We now make all these goods in Dove and White only. They are sent out in a handsome box, accompanied by a silver-plated compass, by which the Electro-Magnetic influence of the Corsets can be tested. We will send either kind to any address, postpaid, on receipt of the price; with 30c. added for packing and registration, and we guarantee safe delivery into your hands. Remit in P. O. Money Order, Draft, Check, or in Currency by Registered Letter. In ordering, kindly mention this publication, and state exact size of Corset usually worn; or, where the size is not known, take a tight measurement of the waist over the linen. This can be done with a piece of common string which send with your order. Make all remittances payable to

Foo Choo's Balsam of Shark's Oil

Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as Carcharodon Rondeletii. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

Hear What the Deaf Say!

It has performed a miracle in my case. I have no unearthly noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. My hearing is much benefited. I have received untold benefit. My hearing is improving. It is giving good satisfaction. Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to Haylock & Jenney, 7 Dey Street, New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so."—Editor of Mercantile Review.
