SECRET.

The only dissolver of the poisonous uric acid which exists in the blood of rheumatic and gouty patients.

Salicylica is known as a common-sense remedy, because it strikes directly at the cause of Rheumatism, Gout and Neuralgia, while so many so-called specifics and supposed panaceas only treat locally the effects.

It has been conceded by eminent scientists that outward applications, such as rubbing with oils, liniments, and soothing lotions will not eradicate these diseases which are the result of the poisoning of the blood with Uric Acid.

Salicylica works with marvelous effect on this acid and so removes the disorder. It is now exclusively used by all celebrated physicians of America and Europe. Highest Medical Academy of Paris reports 95 per cent cures in three days.

REMEMBER

that Salicylica is a certain cure for Rheumatism, Gout and Neuralgia. The most intense pains are subdued almost instantly.

Give it a trial. Relief guaranteed or money refunded.
