

It is not by constraint or by painful effort that we make real progress. On the contrary, it is simply a question of yielding up our will, of going every day whithersoever God may lead us, discouraged by nothing, satisfied with the present moment, thankful to let him do all who has made all, and leave our own will immovable within his will. How happy it is to abide in this condition! How satisfied is the heart, even though it may lack all else.—*Fenelon.*

A recent German writer says: "The lark goes up singing toward heaven; but if she stops the motion of her wing, then straightway she falls. So with him who prays not. Prayer is the movement of the wings of the soul: it bears one heavenward; but without prayer he sinks in the filth of the earthly impulses."

**The Law of Cure under the Compound Oxygen Treatment.**

The objection which is frequently urged against Compound Oxygen by persons who have not made themselves acquainted with the natural and scientific laws governing its action, is that the same agent administered it for all diseases—for Neuralgia or Catarrh; for Consumption or Rheumatism; for Heart Disease or Bronchitis. That it is offered as a universal specific. In his Treatise on Compound Oxygen, Dr. G. R. Starkey has fully explained the nature and action of this Treatment, and shown that it is not specific to any disease or class of diseases, but that it acts directly upon the nervous system and vital organs, and thence universally in the whole body. It gives new force and a more vigorous action to all the life centers, thus restoring to nature the dominant power and healthy action which has been lost. This being the case, no matter what the disease, or where located, it must be gradually ameliorated, and, if the central healthy action can be maintained, finally cured. Every intelligent and unprejudiced person will at once see that if the law of action which is claimed for Compound Oxygen be the true one, its operation must be universal, and not local or specific; and that all forms of disease may be reached by this agent. This Treatise will be sent free to all who desire to receive. STARKEY & PALEN, 1109 and 1111 Girard Street, Philadelphia, Pa.

**A NOTED BUT UNTITLED WOMAN.**

[From the Boston Globe.]

Mrs. Editors:—The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhoea, irregular and painful menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1 per bottle or six for \$5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity."

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

Philadelphia, Pa. (2) Mrs. A. M. D.

**Foo Choo's Balsam of Shark's Oil**  
Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as Carcharodon Rondeletii. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

**Hear What the Deaf Say!**
