

After all has been learned, the old man is a boy again, and turns to songs and prayers that he heard when the nursery was his divinity school, and the mother the senior professor. Out of that seminary he may go to groves of philosophy and halls of ethical culture, sit at the feet of wise men and become himself an interpreter of thought, a founder of schools and sects, and fill the world with records of his inner life and his experience in learning how to live. But at last he must come back to the simple faith that his first teacher taught him. The little child gets the kingdom.—N. Y. Observer.

Consumption Cure.

Dr. R. V. Prince: Dear Sir: Death was hourly expected by myself and friends. My physician pronounced my disease consumption, and said I must die. I began taking your "Discovery" and "Pellets." I have used nine bottles and am wonderfully relieved. I am now able to ride out.

He that will not permit his wealth to do any good to others while he is alive, prevents it from doing any good to himself when he is dead; and by an egotism that is suicidal, and has a double edge, cuts himself off from the truest pleasure and the highest happiness hereafter.—Colton.

Advice To Mothers.

MRS WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once: it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cts. a bottle. 13-20-1y

Prefer loss before unjust gain, for that brings grief but once, this forever.

EARS FOR THE MILLION.

Foo Choo's Balsam of Shark's Oil. Positively Restores the Hearing, and is the Only Absolute Cure for Deafness Known.

This Oil is abstracted from peculiar species of small White Shark, caught in the Yellow Sea, known as Carcharodon Rondeletii. Every Chinese fisherman knows it. Its virtues as a restorative of hearing were discovered by a Buddhist Priest about the year 1410. Its cures were so numerous and many so seemingly miraculous, that the remedy was officially proclaimed over the entire Empire. Its use became so universal that for over 300 years no Deafness has existed among the Chinese people. Sent, charges prepaid, to any address at \$1.00 per bottle.

Hear What the Deaf Say: It has performed a miracle in my case. I have no unearthly noises in my head and hear much better. I have been greatly benefited. My deafness helped a great deal—think another bottle will cure me. My hearing is much benefited. I have received untold benefit. My hearing is improving. It is giving good satisfaction. Have been greatly benefited, and am rejoiced that I saw the notice of it.

"Its virtues are unquestionable and its curative character absolute, as the writer can personally testify, both from experience and observation. Write at once to Haylock & Jenney, 7 Dey Street, New York, enclosing \$1.00, and you will receive by return a remedy that will enable you to hear like anybody else, and whose curative effects will be permanent. You will never regret doing so."—Editor of Mercantile Review. To avoid loss in the mails, please send money by Registered letter. Only imported by HAYLOCK & JENNEY, 7 Dey St., N. Y. When Alexander sent Phocion a hundred talents, he asked why he rather sent it to him than to any other of the Athenians. He answered, because he deemed him the only honest man in Athens; whereupon Phocion returned it to him again, entreating him to allow him to be honest still.
