

Professor Huxley is coming out as a social reformer. He says, "Talk of political question? There lies beneath all these questions the great question whether that profligate misery which dogs the footsteps of modern civilization shall be allowed to exist. I believe that is the great political position of the future."

Ammen's Cough Syrup cures colds, coughs, bronchitis and consumption.

It is the province of ministers to do good, therefore we think every minister should inform himself in regard to Ammen's Cough Syrup, and after being satisfied that it is all that is claimed for it; thus lives can be saved and then taught how to save their souls. We are told that the proprietor is always willing to give a bottle free to any minister of family who wishes it to try.

Advice To Mothers.

Mrs. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle. 13-20-ly

There is no harm in a glass of whisky provided it be allowed to remain in the glass.

Almost Insane and Cured.

"Most of the eminent doctors in the East, as well as several of the medical faculty in New York City," writes Rev. P. P. Shirley, of Chicago, "failed to help our daughter's epilepsy, which began to show signs of turning into insanity. By the good providence of God we tried Samaritan Nervine, and it cured her." Your druggist keep it. \$1.50.

When a man assumes to be extra "liberal," and yet sneers at every man who believes something he does not believe, he would do well to change his temper or his terminology.

People with gray hair may conceal from the world the fact they are becoming aged, and passing on to decay, by the use of Hall's Hair Renewer. It is a fact that this article renews, cleanses, brightens, invigorates and restores faded or gray hair to its youthful color and lustre, cheaply, quickly and surely.

Good works are always to be commended; a pure life is beautiful; but, without faith in a living, all-sufficient Savior, the one thing needful is lacking.

EXPLANATORY NOTES

—ON THE—

INTERNATIONAL SUNDAY SCHOOL LESSONS.

This volume of comments and suggestions upon the Sunday School Lessons for 1884 is now ready. It has been carefully prepared by Dr. E. W. Herndon, the editor of the *Christian Quarterly Review*, a scholar whose concise methods of thought enable him to express what is needed in the fewest words. The Scripture readings are given in both the common version and the Revision in parallel columns, so that a glance will show the difference. The history of each lesson is concisely presented; the Lesson Notes are clear, plain, pointed, and free from useless verbiage and speculation, and the Application at the close will help the teacher in bringing all home to the heart of the pupil. It will be found that the geography, biography, and history required to a correct understanding is unusually full. A pronouncing dictionary adds much to its value.

The volume contains about two hundred broad pages, giving about four pages to each lesson. It is printed on clear, bold type, and substantially bound. Though a costly book, in order to place it in the hands of every teacher in every school we place it at lower rates than such a volume has ever been sold.

Price, Single Copy, Post-paid, 60 cents.

Where one dozen are ordered, or one ordered for every teacher in the school, whether more or less than a dozen, the price will be 50 cents.

Where as many as twenty are ordered at 50 cents each, an extra copy will be given.
