Quinn learns from past mistakes

Senior ready to make the most of his final track and field season

INDEPENDENCE — There is something different about Central senior Alex

Quinn has always been one of the Panthers' most versatile athletes. But this season, he's taking his game to a new level.

As a sophomore, Quinn set personal records in the 100-, 400-, and 1,500-meter runs, as well the 300 hurdles, while also competing in events ranging from the 4 x 400 relay to the javelin.

In 2013, despite lessening the number of events he competed in, Quinn set just one personal record in the shot put.

It was a big disappointment that taught Quinn a difficult lesson.

"I learned that you have to put in the work," Quinn said. "The work you do in practice shows up in the meets. My freshman and sophomore years, I worked really hard and my results improved. My junior year, I kind of slacked off. I had this upper classman mindset and thought it was cool to not work as hard, I guess. I

had played football and gained weight for that and was out of shape and lazy."

After a 2014 season that Quinn saw as a lost opportunity, he decided to not let himself enter a season unprepared ever again. The difference has been nothing short of dramatic.

Quinn — a hurdler, thrower and jumper for the Panthers' track and field squad — came in more prepared than he's ever been. something that hasn't always come easy for him.

"Alex came into the season leaner and in better shape than he's ever been to start the season," Central coach Eli Cirino said. "He is a big, powerful athlete who has worked hard and seems poised to have a big year."

In addition to playing other sports, Quinn kept himself in shape through offseason workouts.

Quinn set personal records in the 110 hurdles, finishing in 16.09 seconds, and the long jump, with a mark of 19 feet, 0¾ inches against Woodburn on April 1. His 300 hurdles time of 43.54 is just off his personal best of 43.38.

"Considering how early it is in the season and consid-

ering how cold and wet it was, I think it's safe to say that he is going to break out

very soon," Cirino said. Laziness is no longer part of Quinn's vocabulary.

"My mindset is to be more aggressive," Quinn said. "Don't just go through the motions. I have to be aggres-

sive and attack it, sprint as hard as I can and jump as hard as I can. I don't just go about it casually this sea-

Quinn's path to success in the hurdles hasn't been a simple one.

"(Hurdles) can be hard," Quinn said. "It's not like a

sprint where someone can just be faster than you. This was something I could make up for the fact that someone was faster than me by working harder. Whether you have a tail wind or a head wind determines how many steps you can take between hurdles. It

wasn't until the end of my sophomore year did I really get the knack of it."

His field events provide a different challenge.

"You wait and you look to see how everyone fares," Quinn said. "You're not racing next to somebody. You're not seeing how they do. You wait and see how far they jumped or threw."

He is excited to face them all this spring.

In 2015, Quinn knows this is only the beginning, and he plans to make anyone who overlooks him pay.

"I looked at track results online on Friday and I know 5A is a lot more competitive." Ouinn said. "I knew my times last year weren't going to be good enough here. I've had some decent results, but I'm not close to satisfied to the marks I want. ... Making state and to do

well at state, that's the ultimate goal."

Athlete of the Week

Chris Rech Central High

Rech, a senior left-handed pitcher, had the game of his season against Woodburn. Coming off an 8-0 win over the Bulldogs, Rech threw a masterful game.

His no-hitter allowed the Panthers to cruise to a 13-0 victory and improve to 3-0 to open Mid-Willamette Conference play. Rech's pitching helped the Panthers shut out Woodburn in all three games. Entering the week, Central has given up just six total runs.
